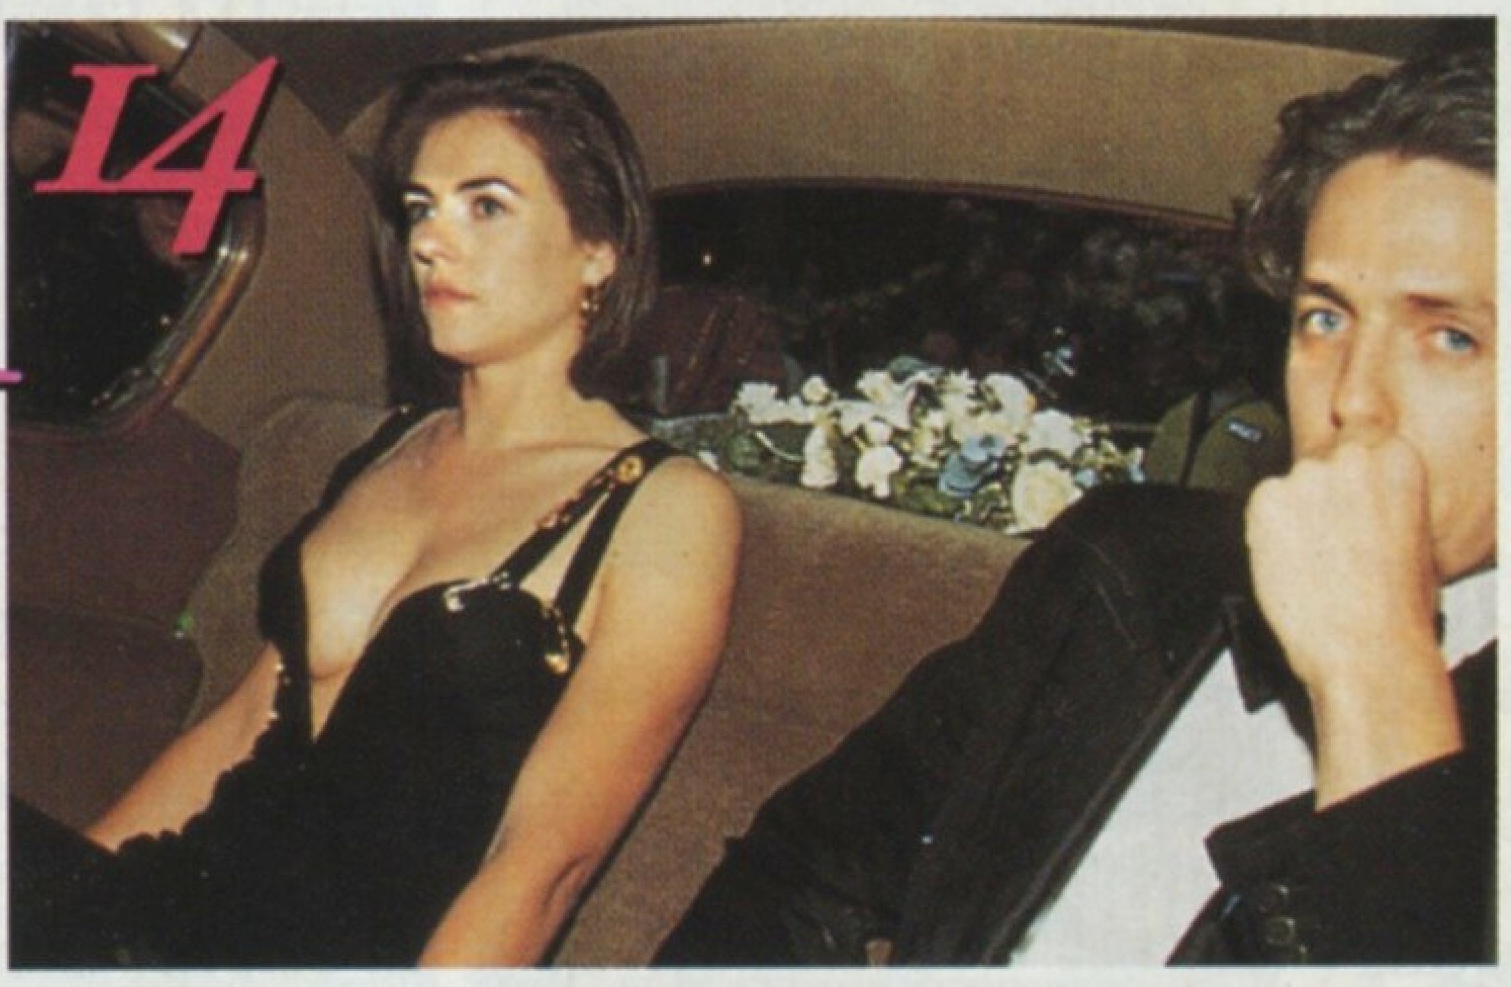
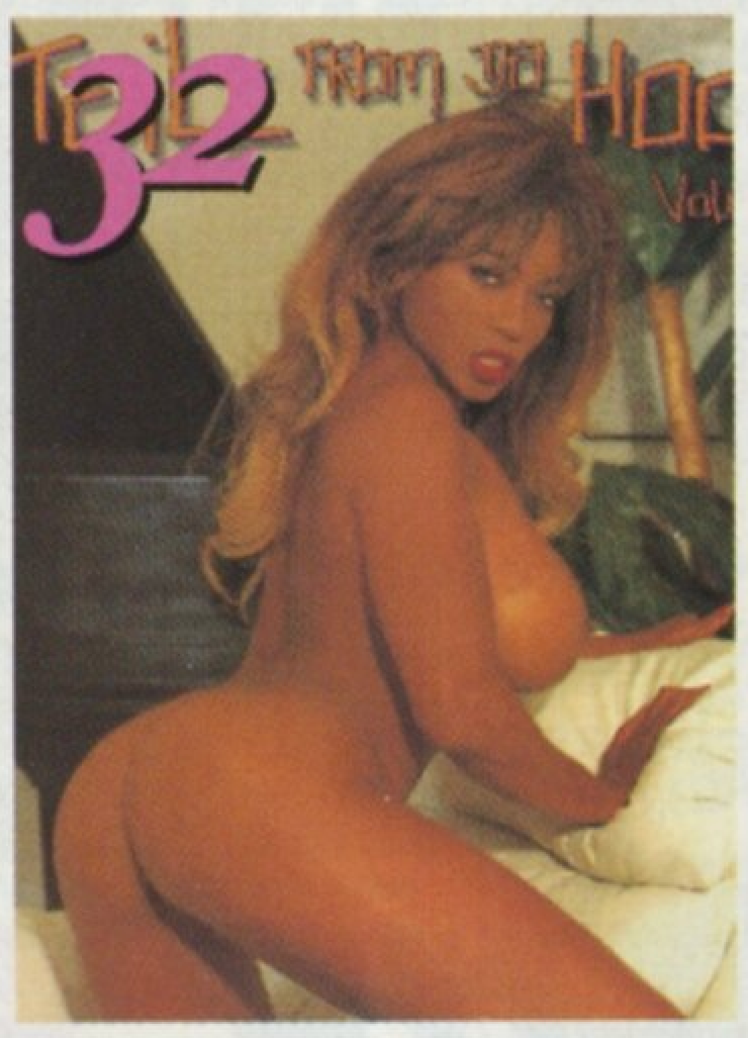
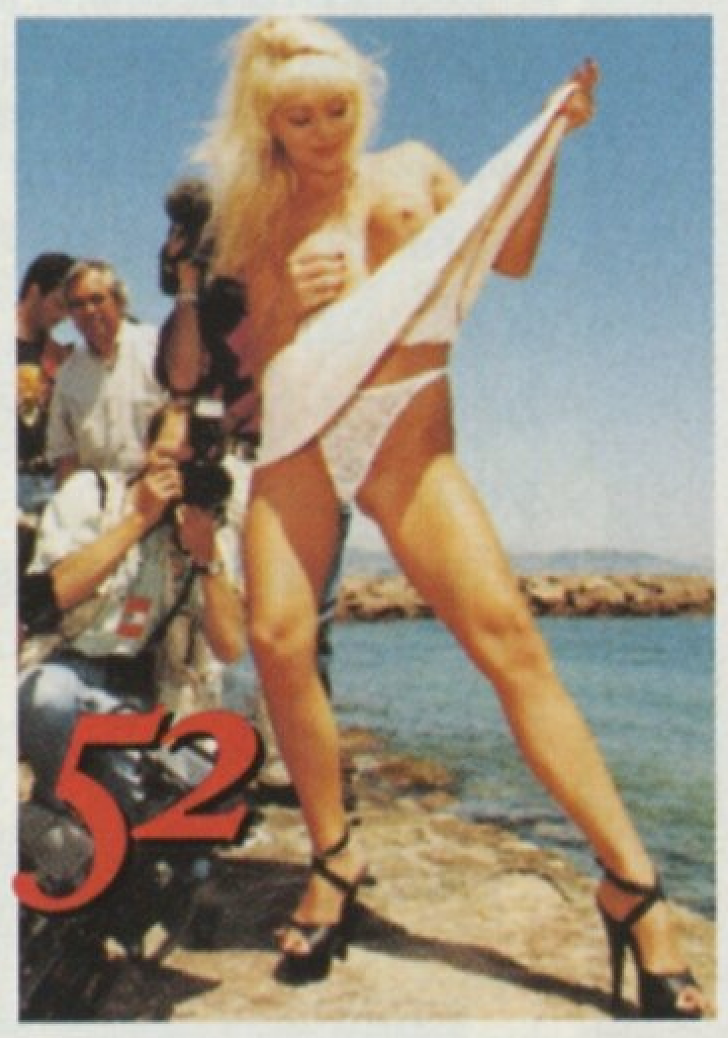
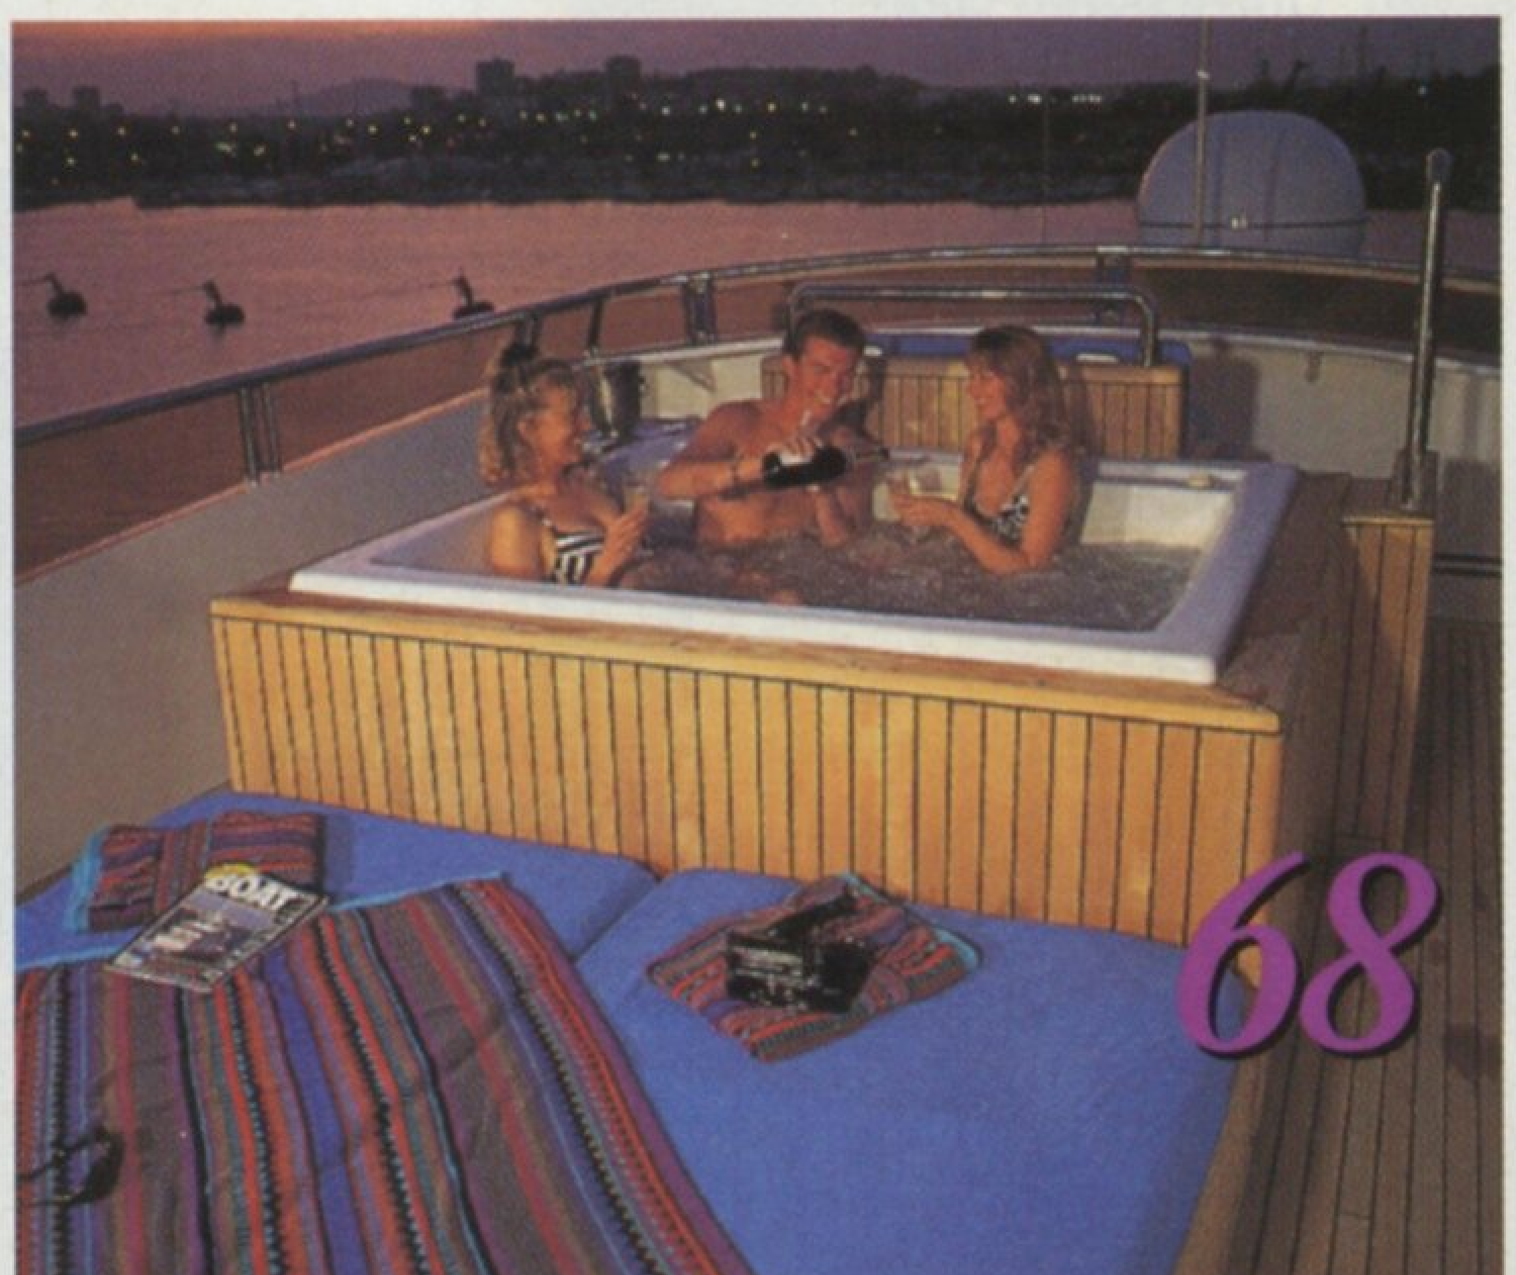
THE MAYFAIR TASTE TEST

Are you tired of endlessly flicking through so-called Men's Magazines in search of stunning girls, only to find that they're not allowed to show any fanny below the top shelf? We are! We read all the men's mags from the shelves below in order to rip off their feature ideas, so now you don't have to!









WHERE IT'S AT

Mayfair Male *4*

Our letters column is so raunchy it should come with a government health warning: 'Reading these letters while standing may cause discomfort'. Hang on, we used that last month – why not write in to complain?

Mind Your Peas… *12*

From Absolute Beginner to sexy superstar of the silver screen, we follow Patsy Kensit's rise to fame – yes, the little girl in the Bird's Eye frozen peas commercial is still as fresh as the moment that the pod went pop!

Liz Hurley *14*

What man in his right mind would jeopardise a long-term relationship with the luscious Liz Hurley, and all for the sake of a ten-minute game of tonsil tennis with a two-bit hooker? Oh, you stupid fool, Hugh!

On The Pull *22*

Oh we do like to be beside the seaside, but do the belles of Brighton want to be seen beside us? The Pull Crew descend on the South Coast's top totty spot – but is it a case of not enough muscles or too many cockles?

On The Pisski *30*

They told us that the cold war was over, but when we winged it over to Russia for a piss-up in St. Petersburg, we froze our nuts off! Here's the low-down on the hot-spots of this Soviet city – from prozzies to proper vodka!

Want Some Amore? *32*

Hard-core porn star Anna Amore opens up to our probing questions, and doesn't pull any punches with her replies: "I've never found a dick I couldn't take down my throat the whole way," she says. Not shy, is she?

Filter-Tipped Tricks! *42*

Discerning gentlemen who wish to learn the subtle art of charming young ladies out of their underwear need only three things: a packet of cigarettes, a lighter, and this indispensable guide to ciggie seduction…

Scene From Mayfair *52*

Another stacked, packed and totally cracked look at the world from the rose-tinted windows of *Mayfair* Towers. Big bikes, flash cars, cool films, top plonk and, naturally, Gordon Rondelle making a tit of himself.

Quest *64*

Gone are the dodgy days when handlebar-mustachioed flare-wearers flung their car keys into a pile, hoping to go home with a Bentley instead of a boiler – three 90s women discuss swinging beyond the sixties.

Object Of Desire *68*

This issue's Object Of Desire is guaranteed to attract top totty from Margate to Monaco – and back again! You too could have a girl in every port provided, of course, you can afford the bulti-squillion pound price tag!

CLASSIC COVER VERSIONS

You really do choose some cracking cover pictures for *Mayfair*, but the photo of the girl on the front of Vol 31 No 5 is simply stunning! Her balanced pose is great and, for once, her carefully-placed arms meant she could be starkers without offending the more prudish visitors to the newsagent's.

Your new section on past issues reminds me of another front cover back in 1968 – my first copy of *Mayfair*. I cannot remember the month, but the cover pic was of a gorgeous girl with a cheeky look wearing thigh-length striped stockings and a short skirt. Any possibility of showing us the picture again?

As an old bugger (well, not quite fifty!), I still get a kick out of the lovely girls in *Mayfair*, and the raunchy articles and features. Keep up the standards (and covers!) and I'll still be reading when I'm drawing my pension.

TALKING OUT OF HIS ARSI?

First of all, I wish you a great greeting to your magazine. How are you? I am fine thank you. After all this, I proceed to the next one that is. I saw a fantastic sex magazine that we call *Mayfair*. I admire a very appreciated magazine.

Meanwhile, the magazine was very interested one then, because please try to send a copy of your publication and I have contact to your publication center. I am waiting and hearing from your center.

Tadesse Shitta, Arsi, Ethiopia

Reply: *We're very well, thanks for asking. Glad you like the mag, Mr Shitta. Nice to know we're still as popular as ever in Arsi, though the publisher keeps telling us we need to be just as big in Titti and Fanni as well.*

BOTTOMS UP

It was very refreshing to read about the experiences of other women who have tried anal sex in Vol 31 No 5. As you pointed out, until recently it wasn't allowed, but a lot of people weren't put off by that.

In my case, anything to do with the bottom was a major taboo for years – I wouldn't even let my husband take me doggy-style or even pinch my bum without throwing a tantrum. My attitude eventually changed in my mid-30s and now I demand some rear action. My husband is over the moon, though he wasn't pleased with how I came to change my point of view…

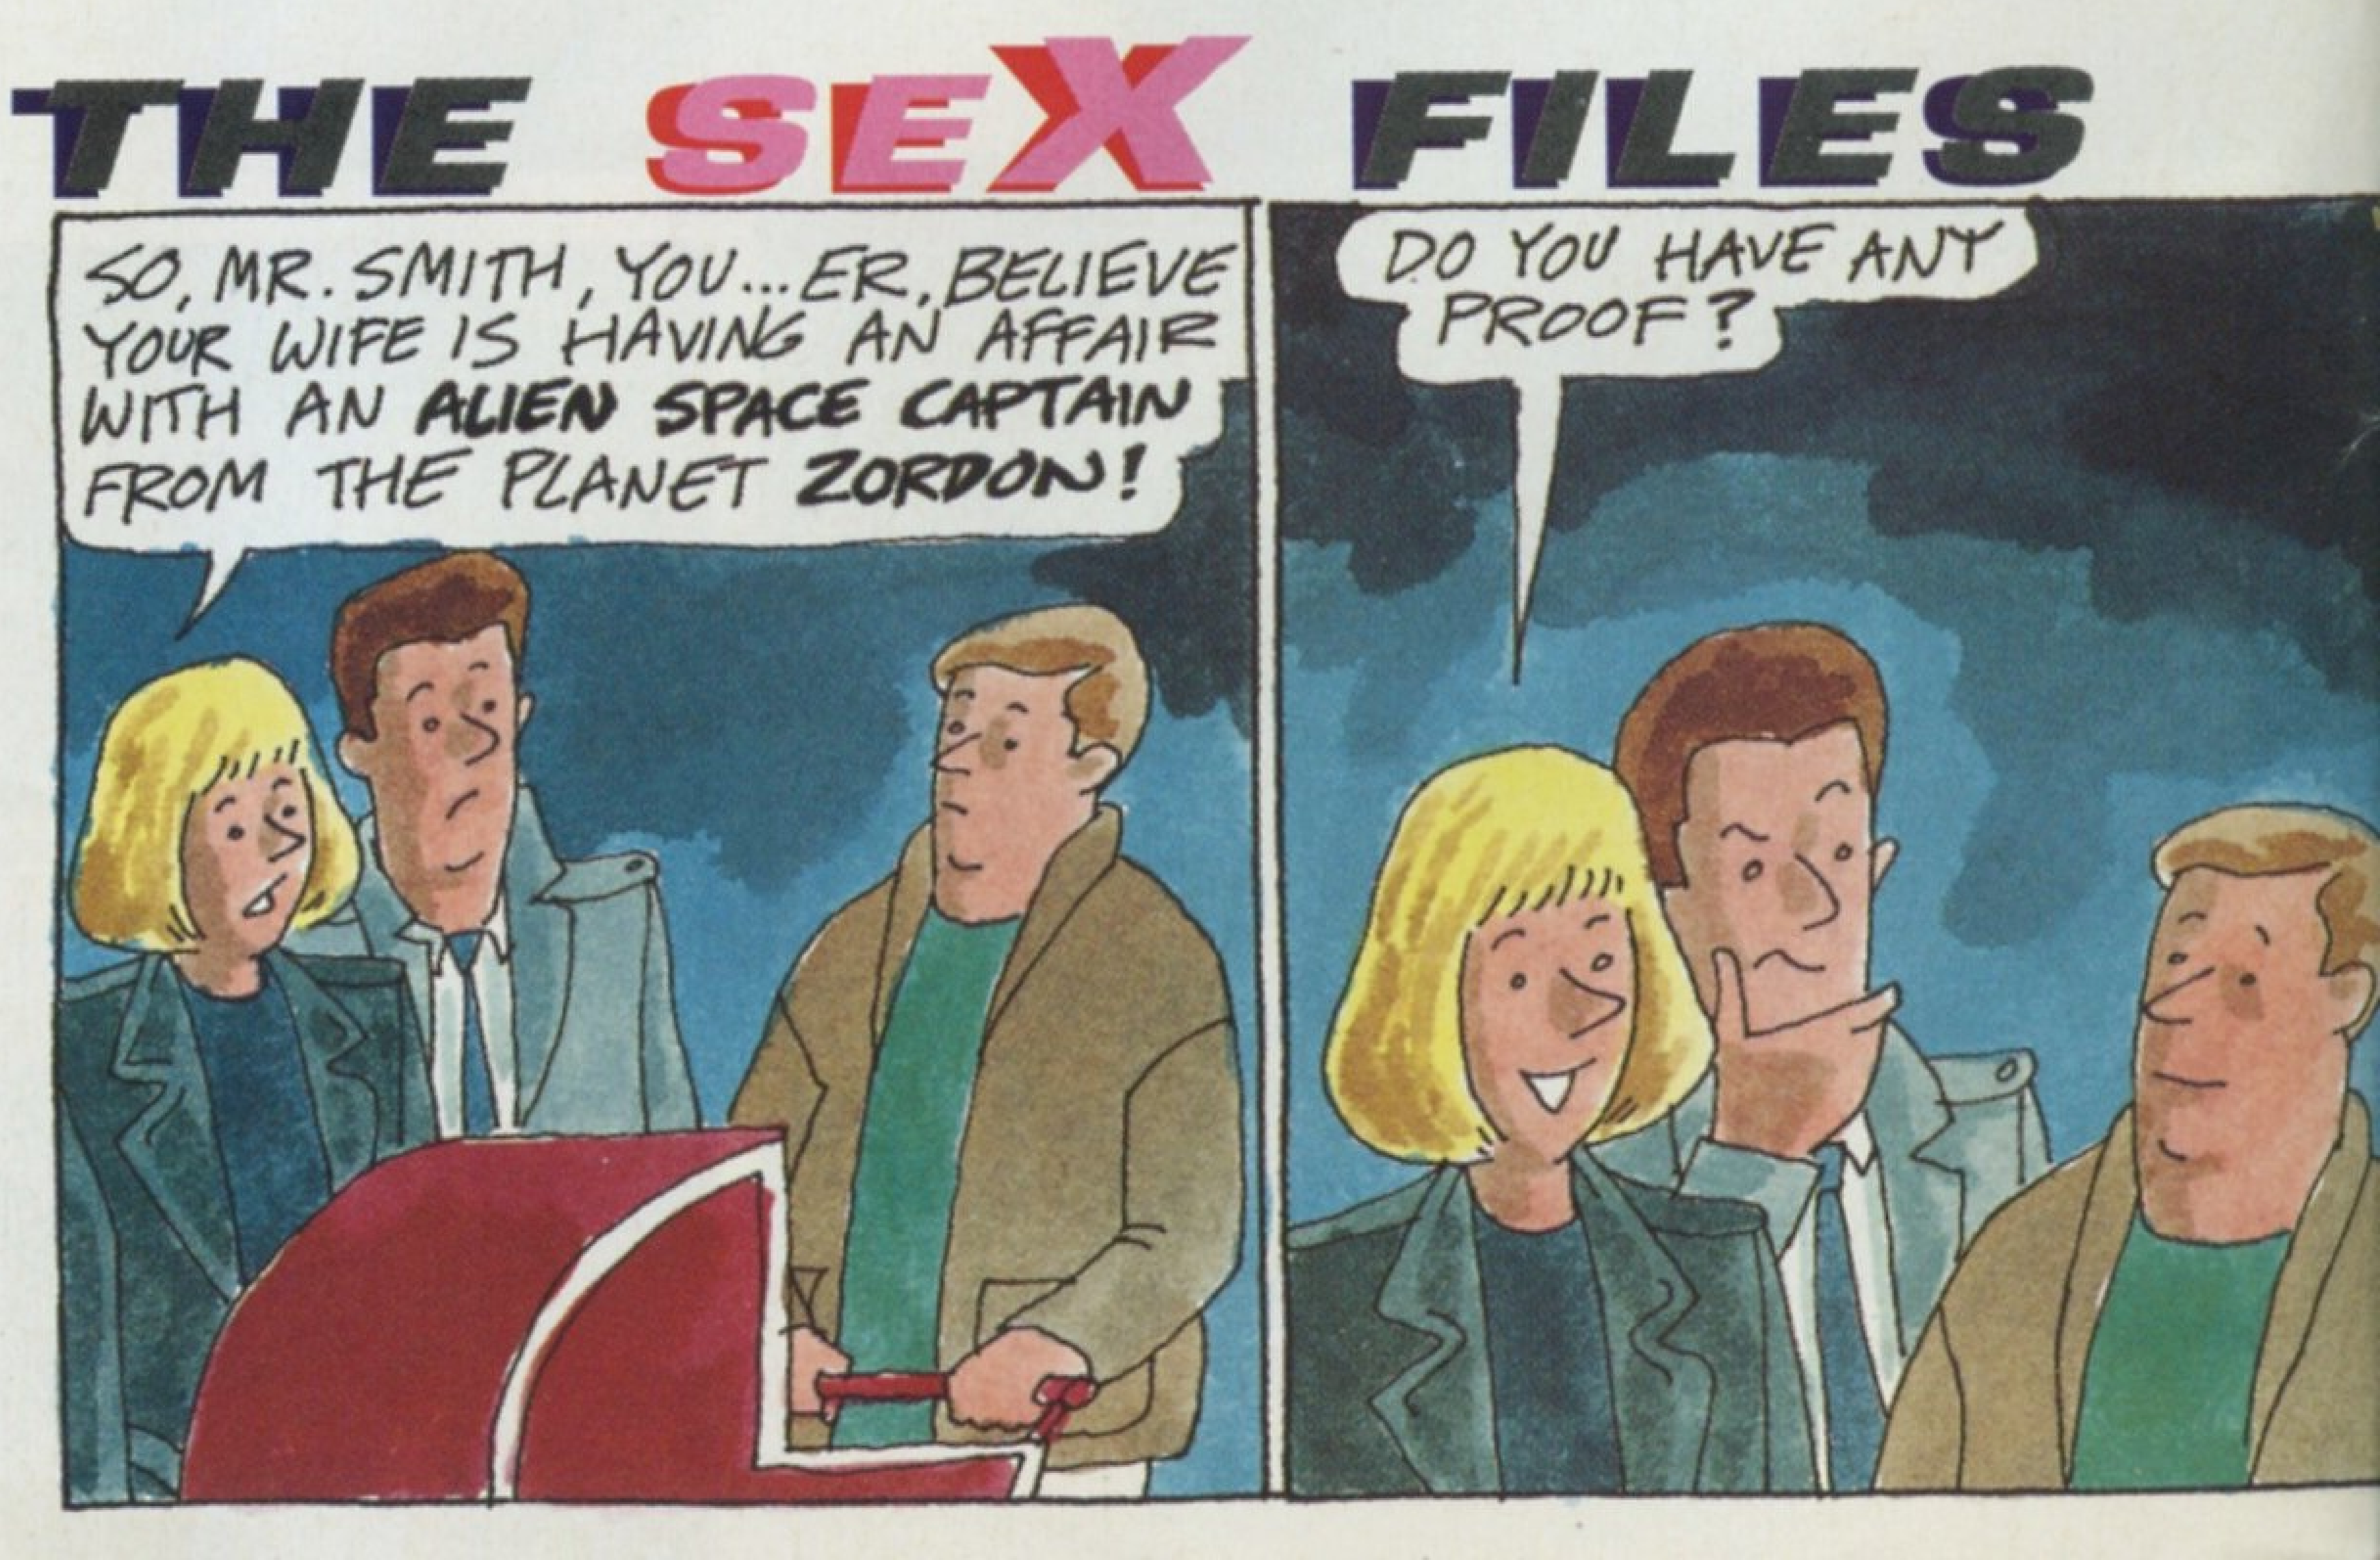
I had a job at an insurance firm, a big office where my 40D chest acted like a magnet to the men. One of the most persistent was Larry, the head of marketing, who really fancied himself. He never took "no" for an answer and asked me out for a drink every day for the first eight months I was there.

One morning I was looking for a space in the car park opposite the office. I wasn't paying attention and hit another car – it was Larry driving, of course. There was some damage, and he adopted a very superior attitude, saying he'd contact me later with his insurance details. It wasn't until I was about to leave for home that he came into my office, although I didn't realise he had arrived, as I had my back to the door.

A voice said: "You were a very naughty girl this morning – I think you should be punished." Before I could turn around, he slapped my bum! I was stunned. He followed it up with another smack, then a third. I wasn't just shocked at what he'd done, but about how I felt as well. With each smack I got more and more turned on. Larry said he had left his insurance details at home and suggested I go back with him to get them. I nodded silently.

At his house, he asked me if I felt I'd had sufficient punishment. I amazed myself by saying "No." He told me to bend over the arm of his sofa and lifted up my skirt. Larry pushed my panties into my bum crack to reveal my cheeks, then began smacking me again, hard enough for me to catch my breath each time his hand hit my bum. I reached between my legs and began rubbing my mound. I'd never wanted to be fucked so much.

I looked behind and saw Larry had taken out his cock and was wanking as he spanked me. He was bigger than my husband, which made me want him even more. He pulled my panties down and opened



THE SEX FILES
SO, MR. SMITH, YOU... ER, BELIEVE YOUR WIFE IS HAVING AN AFFAIR WITH AN ALIEN SPACE CAPTAIN FROM THE PLANET ZORDON!
DO YOU HAVE ANY PROOF?

my pussy flaps. He pushed it inside and it felt so big and good!

The sex was incredible. I was so turned on, I lost all my inhibitions. He said he wanted to try something different – anal sex. I thought twice, then decided to try it. The best decision I ever made. He'd done it before, and I let him show me what to do. He started by teasing around the opening, then pushed a single finger inside. It was like nothing I'd experienced before, but it was good and I wanted more.

Then he began to push his dick into my arse. It was such an unusual sensation; my pussy was empty but I still felt full of cock. There was a stab of pain, but it was good pain – the kind you know will eventually lead to an amazing orgasm. He stayed inside me for ages, until at last I came. It was an amazing sensation, and set him off so that I felt the warm flood of his ejaculation spread deep inside me.

I kept seeing Larry for about another month, and we had anal sex a couple more times. Each time it got easier and more pleasurable. I admitted what had happened to my husband. Of course, he was angry at first, but once I'd let him do it a few times, he soon forgave me. Now we're both anal sex veterans and do it on a regular basis – there's truly no sensation like it.

I would recommend it to everyone. There is more intimacy in that position, and our sex life is now better than ever. We realise that a lot of people will think we are dirty, but to be honest, that makes us feel even more excited!

Well done *Mayfair* for highlighting people like us who have experimented willingly and very successfully with anal sex.

Mrs A Clarke, Bath

Reply: *We heartily endorse your sentiments, Mrs C! If you don't try it, you'll never know if you like it. And if you don't like it, don't do it …*

So what's life like as a bodyguard?

Great. It's a big growth area at the moment, and a lot of female stars feel more comfortable with another woman protecting them. It's less conspicuous if I accompany them to a party or a premiere – most people assume we're just friends, so it's less likely to provoke people to have a go.

Any Famous Clients?

I haven't been fully trained for long, but I've already looked after a few people I'm sure you've heard of. I can't give out any names, though, we guarantee confidentiality.

Do you only have female clients?

No, I was hired by a male film star last week, though from what happened, I don't think he picked me for my martial arts training…

K-SWISS

Go on, tell us more!

Well, we ended up having sex in the back of his huge, hired limo as it sped through London towards Leicester Square. It was completely surreal. Luckily, the windows were smoked glass, so though the paparazzi were flashing away when we stopped outside the cinema, they couldn't see what was going on inside! He had a decent cock and the limo was so big, we had plenty of space to do the business. When he got out, his legs were all wobbly – the next day's papers reported that he was drunk!

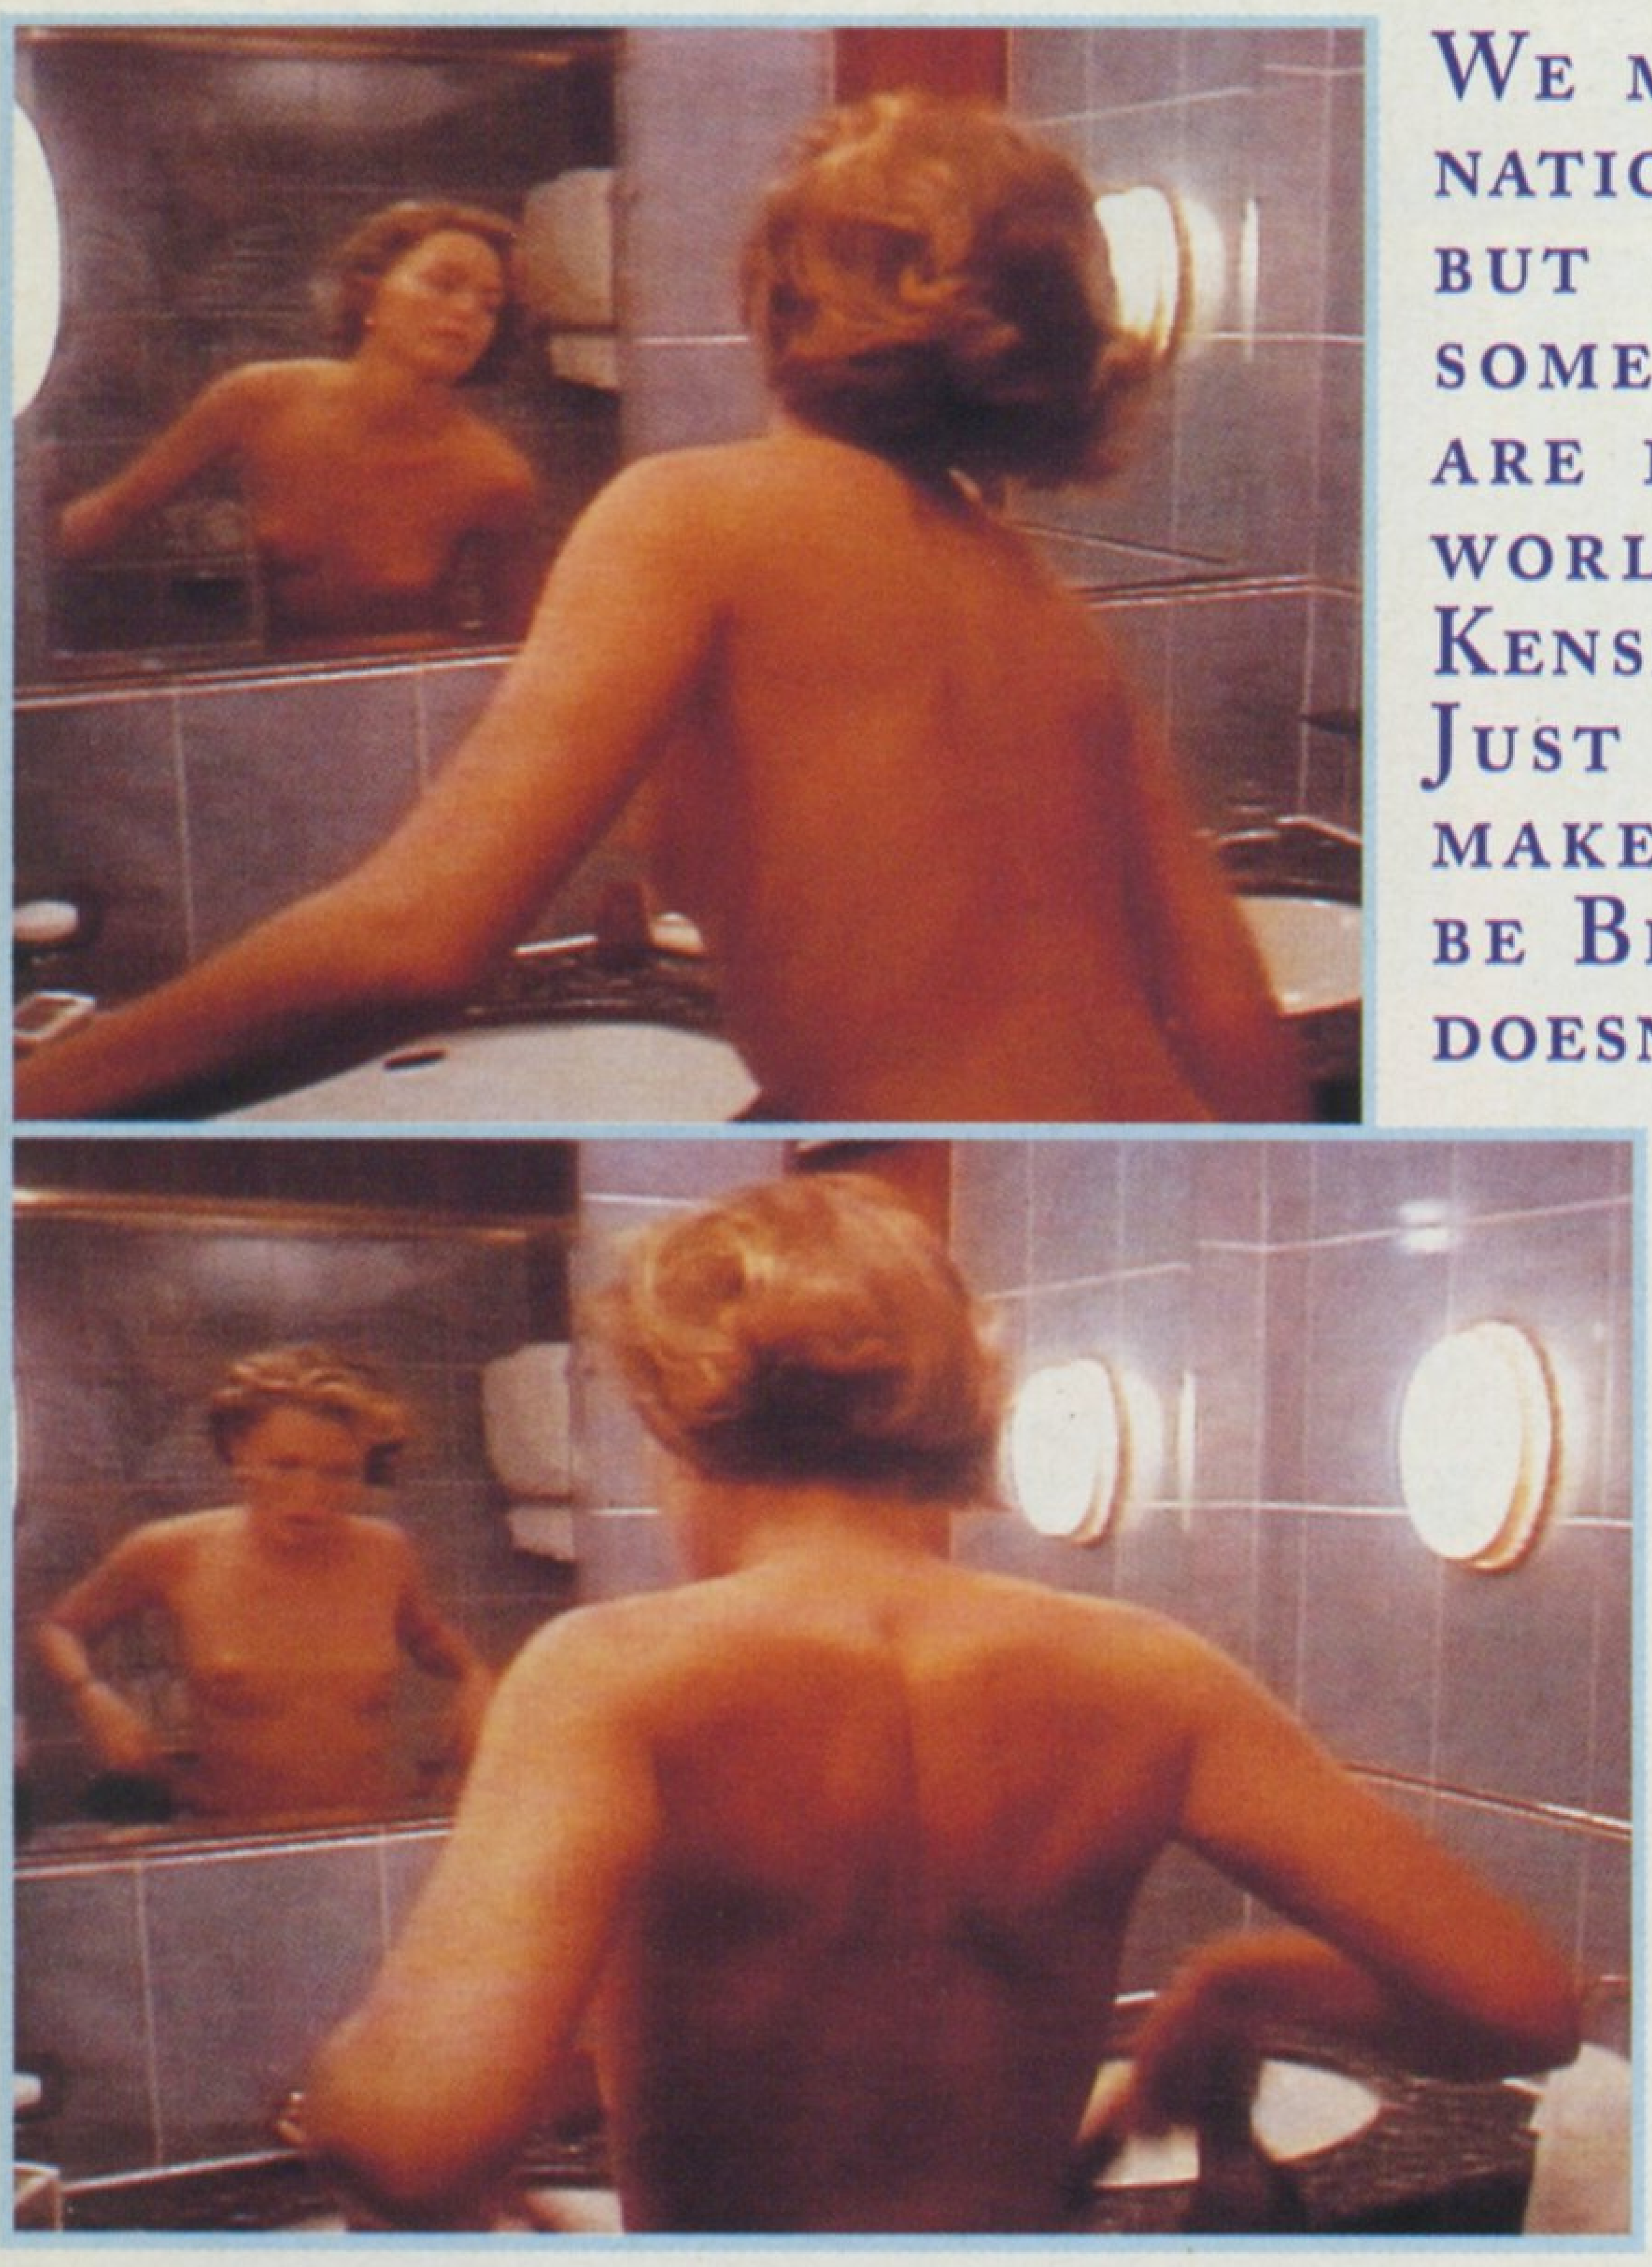
So have you ever had to take someone on?

Yeah, I got a fan trying to touch one of my clients. I put him in an armlock – I think he's out of hospital soon!

Patsy Ke

Mind Your Peas & Queue!

WE MAY NOT BE THE NATION WE ONCE WERE, BUT WE STILL HAVE SOME EXPORTS THAT ARE IN DEMAND THE WORLD OVER. PATSY KENSIT, FOR INSTANCE. JUST LOOK AT HER – MAKES YOU PROUD TO BE BRITISH, DOESN'T SHE?



Twenty One (left): Patsy gets that sinking feeling

Bitter Harvest (right): An early riser – like the audience's trousers

Actress, catwalk model, singer, celebrity girlfriend – Patsy Kensit could easily be accused of being a Pat of all trades and master of none. There's more than a grain of truth in that, but any gal who displays her small but perfectly-formed assets as regularly as Ms Kensit is fine in our book.

She's not exactly over the hill, but is already a media veteran – she's been gracing British screens since her stint as the cutesy Bird's Eye frozen peas girl, aged seven (and she's still as "sweet as the moment when the pod went pop!"). She deserves respect not just for managing to build a career from such a humble beginning, but even more for surviving the chat-up merchants offering to 'pop her pod'.

Her next major appearance was on *Top Of The Pops* with short-lived pop (no pun intended) group Eighth Wonder (One-Hit Wonder, more like) singing *I'm Not Scared*. Eighth Wonder were never going to set anyone's trousers on fire, but pony-tailed film impresario Steven Wooley of Palace Pictures was struck by Patsy's pubescent charms and cast her in his ultra-hyped musical adaptation of the classic Colin MacInnes novel *Absolute Beginners*.

Complete Crêpe

The film was a bigger flop than a beached flounder, with the upbeat musical numbers somehow not quite gelling with the background of crime and race riots. Oh, and David Bowie was acting in it – 'nuff said. But Patsy did catch the eye as teenage temptress Crêpe

Suzette, doing a sultry song and dance routine that catapulted her across the Atlantic to Hollywood.

A role in *Lethal Weapon 2* as Mel Gibson's South African love interest should have sent her into the big league, but instead she found herself giving decent performances in medium-budget productions of variable quality like *Blame It On The Bellboy*, *Bullseye*, *The Turn Of The Screw* and, more recently, *Angels And Insects*.

Like some other toothsome English actresses we could name (and will in future issues, folks!) one good thing about Patsy's films is the high kit-off quotient. Whatever holes you notice in the plot, however many sets you see wobbling in the background, chances are that in at least a couple of scenes Patsy will be wobbling in the foreground. So no-one who's rented *Time Bomb*, *Twenty One*, *Bitter Harvest* or *Kleptomania* from their local video emporium should feel entirely cheated.

In The Nudes

Patsy's made a bit of a return to the headlines lately, for several reasons. First, there was an acrimonious split with husband Jim Kerr of yesterday's pomp-rockers Simple Minds, then a series of cameo roles on *French & Saunders* that showed she didn't mind making an arse of herself in public. Then, to cap it all and rub salt into Jimbo 'Don't You Forget About Me' Kerr's wounds, she's been seen having a very public relationship with Liam Gallagher. Oasis' meteoric success may rub off on plucky Patsy and she can take her place in the Premier League of movie stardom at last. Ⓜ

Elisabeth Hurley

What A Girlie!

"Oh, yes, YES! Mmmm, I love it! Darling, that feels simply Divine. Doh! What am I saying…?"

The bottom line: Liz reveals her cheeky side in ***Aria***...

Tabloid favourite Liz Hurley has always seemed as famous for being the girlfriend of Hugh Grant as for being an aspiring actress. Look at all the media attention she attracted just by turning up at the premiere of *Four Weddings And A Funeral* wearing what became known as '*that* dress' and a few expensive safety pins!

This British vixen with come-hither looks and more impressive forward thrusters than the space shuttle loves the media spotlight and has never been coy about flashing those magnificent mams on camera. Check out these pics from her very first movie, *Aria*. The movie was an arty collection of opera's greatest hits by famous film directors, but it was the sight of Liz's threepenny bits that left audiences Tito Gobbismacked!

We had to see more, and she obligingly whipped 'em out again in a thriller called *Kill Cruise*, which was never released to English cinemas – presumably to avoid unpleasant stains on the seats.

> “We had to see more, and she obligingly whipped 'em out again”

But by this time, Hughie had got his hands on what he referred to as "the best pair in London," and acting on his advice she kept them under her jumper in *Passenger 57*, a terrorist thriller set on a plane which proved so unexceptional that some in-flight audiences walked out! Luckily for her bank balance, Liz's beauty and boobs had caught the attention of the Estée Lauder company, who signed her to a megabucks contract as a model for cosmetics products.

Silly Sucker!

Her status as an international celebrity was assured when her errant boyfriend showed he had some spunk after all, and coughed up a lavish sixty bucks on polishing the tonsils of LA street hooker Divine Brown. The tabloids had a field day, and printed pictures of Liz alongside the less-than-stunning Ms Brown. Comparing lovely Liz to deadly Divine over their breakfast cornflakes, most of the male population of Britain wondered if Hugh should be issued with a white stick and guide dog immediately.

> “Her errant **boyfriend** showed he **had** some **spunk** after all”

Septic Wank

For the record, Liz was born in Surrey to an army major and a piano teacher. She had an archetypal middle-class upbringing, went to Basingstoke comprehensive, became a punk, dated a fellow punk named Septic, and moved to London to attend a drama school from which she was later expelled for her rebellious ways – but she showed it takes more than a few old luvvies to stop the Hurlster. She toured the Middle East in a production where she had to snog Leslie Phillips every night in a skimpy bikini (no, *he* wasn't wearing it!), and met Hugh on the set of *Rowing With The Wind*, and the couple soon became a latter-day Taylor and Burton. Fame soon followed as the heroine of Dennis Potter's excellent *Christabel*.

"So, do you want to play Scrabble?"

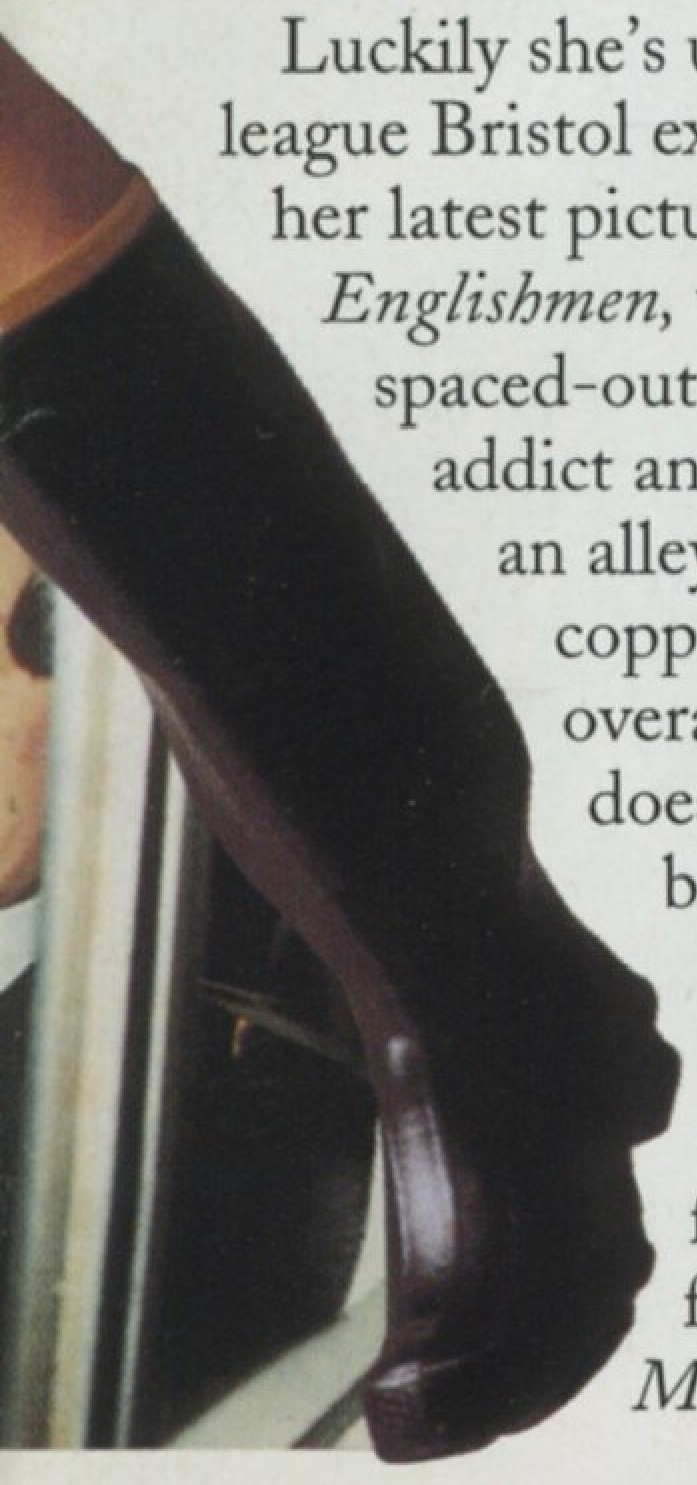
1988	**ARIA** Liz gets 'em out in the name of opera. Don't wait until the fat lady sings to treat yourself to one off the wrist. Raunch Rating: High. A chance to practice your Toss-canini…	✓✓✓✓
1989	**ROWING WITH THE WIND** A wanky period drama set in 1816 with Hugh Grant as Byron, and Liz as the bird he gets off with. Bet the sly fox didn't write much poetry that weekend! Raunch Rating: Low. Wot, no tits? If you rent this to see Liz as nature intended, you'll be pissing in the wind!	✓
1989	**KILL CRUISE** Liz and Patsy Kensit play a couple of hookers who get their togs off frequently in a seagoing thriller that sounds like a wet dream! Raunch Rating: Through the bloody roof. Hard astern, and hoist the jolly Roger – semen overboard! Sadly, the film is unavailable – not even we could get a copy…	✓✓✓✓✓
1992	**PASSENGER 57** Terrorist stewardess Liz blows people away on a plane – but not the way you hope – in a sub-standard *Die Hard* clone. Raunch Rating: Forget the mile high club – this is Virgin airways!	✓✓



Luckily she's up for more major league Bristol exposure in one of her latest pictures, *Mad Dogs And Englishmen,* where she plays a spaced-out upper-class heroin addict and gets groped in an alleyway by a bent copper. Disappointing overall, the film still doesn't answer the burning question on nobody's lips: can Liz Hurley really act, or is she famous for being famous? Here at *Mayfair*, we're not all that bothered. But we do know that anyone who could do the dirty on such a luscious lady deserved a good kick in the knackers! Ⓜ

How did you get into DJ-ing?
I've been clubbing for years now, and I'd often find myself standing in front of the PA system thinking "I could do better than this geezer at the turntables." I got one of the DJs to show me the ropes, saved up for some gear and now I've got my own club nights twice a week.

Sounds like a great job…
It's hard work, mind! But I do get free drinks at the bar as well as all the ones the punters offer to buy me. When I get really hammered, I start doing all sorts of crazy mixes, which go down very well.

You must get asked out a lot?
You're telling me! I never go with anyone at the club, though. They all think I'm a bit of an ice maiden, like a challenge that no-one's cracked yet, which I think turns them on even more. When they look at these pictures, they'll see another side of me. I make it a rule not to mix work and pleasure, or I'd be at it all night!

What sort of men do you go for?

Men who are completely the opposite of me – quiet, thoughtful, mature men really turn me on. I couldn't stand to be in the same room as someone as loud and outgoing as me, let alone the same bed. I think quiet men come alive in bed, as well. They're not boasting and bragging about how good they are because they're more confident of their ability to please a woman. At least, that's been my experience!

So how can a man please you?

By taking things very slowly at first until I'm purring like a cat and very, very wet. When I start to dig my claws into his back, that's the sign for him to cut loose and get down to basics – deep, hard thrusts getting faster and faster. My pussy goes crazy, and I've never met a guy who can keep his load while I come!

"THERE ARE LOTS OF GIRLS' BACKSIDES, I SHOULD LIKE TO BE BESIDE, BESIDE THE SEASIDE…" TO PARAPHRASE THE FAMOUS ANTHEM. THAT'S ALL VERY WELL, BUT COULD OUR INTREPID TRIO MAKE THE MOST OF A BEACHFRONT BABE BOOM? WOUD IT BE A CASE OF KISS ME QUICK – OR A LOAD OF OLD BRIGHTON COCK?

After a severe rollocking from the editor about last month's lamentable efforts, our three musketeers board the train at London Victoria bound for Brighton, knowing they have to perform, or they're history. As if that wasn't enough pressure, the increasingly-paranoid supremo has sent along Mike Collier, his sub-editor and evil henchman "as a sort of UN observer." Armed with camera, tape recorder and quite possibly a handgun, he sits in the corner of the carriage, saying nothing behind his Mafiosi-style shades. The atmosphere is decidedly tense as the train speeds through the countryside.

Portrait of the piss-artist as a young man. A session with the cops didn't spoil Pricey's Feldmanish good looks

"Ever been to Brighton before?" asks Ian K, anxious to break the silence.

"Er, yeah, I came down to see some friends, y'know?" says professional student James Price. "We played didgeridoos on the beach, got in touch with our spirit-halves and chilled out…"

"But did you get your end away, you sad hippy?" asks Jimmy B.

"Hey, sex isn't everything," protests Pricey. Jimmy's snort of derision says it all.

Luckily, the deteriorating 'vibe' is interrupted by the arrival of Trevor, a man who makes you wonder if Hitler really did die in a Berlin bunker. "Tickets, please" he demands, straining to be polite to Ian and Jimmy, before his gaze falls on Pricey. "Not you again! Don't your sort ever learn?"

"It's alright, I've got a ticket this time," laughs the scroungy one, waving it in the air like a jackpot scratchcard. "It's full price, but I'm a student, so can I have some money back?" Trevor punches the card and dreams of invading Poland.

"Can we smoke in this carriage?" enquires Ian politely.

"The last person who smoked in one of my carriages went home with a broken arm," smiles Trevor, who is gone with a click of his jackboots.

BRIGHT 'N' EARLY

Just after midday, the crew hits town and convenes at the first pub outside the station to draw up a battle plan. Jimmy brings the meeting to order by banging his mobile on the table. "Okay, lads," he begins, "we're in score city here. If you can't pull on a beautiful day like this in a town packed full of every type of totty under the sun and everyone's drunk, you'd might as well jump off the end of the pier. There's a great casino just across the road – last time I was down here, I just couldn't seem to lose! Oh, sorry to mention the 'M' word, Pricey."

"Eh?"

"Money. You've heard of it, perhaps."

Ever the diplomat, Ian steps in to change the subject. "I don't care where we go, as long as there are women! The logical place to go is the sea front. Shall we stick that in our disc drive and see what comes online?"

"Agreed," says Jimbo as the barmaid places another Pils on the table.

"From the manager," she says, "On the house."

"Oh, that's very decent of him. Thank him, will you, darling?"

"*I* am the manager," says the buxom wench, one eyebrow raised teasingly.

"Really? I'm all in favour of women in positions of power…" starts the smarmologist. He's off, there's no stopping him now.

"Let's hit the arcades," suggests James, his eyes nearly popping at the thought of fifty quid's worth of Ridge Racer. "He can catch us up later." Mike, who has worked his way through a bottle of Chianti, looks at his watch, notes something in his pad and follows the pair down to the sea front.

THERE'S GONNA BE A RIOT

The terrible twosome get down to work as the smell of ozone and greasy burgers gets stronger and try out a series of chat-up lines on scantily-clad chicks.

"Which way's the sea?" asks James, despite the waves being clearly visible down the hill.

"There, dickhead. It's the big blue thing that keeps moving," laughs the girl, tucking an empty chip wrapper into his jacket pocket. Ian's valiant efforts to waylay a series of attractive lasses by explaining that he needs to find a reputable service centre for his laptop "and quick!" meet with a similar lack of success, but at least he's having a go.

As the sea gets ever closer, a strange sound wafts on the breeze, getting louder with every step. Drums, whistles, screams – surely the *Mayfair* males haven't struck gold – a rave? Unfortunately not. As Ian and Pricey emerge onto the

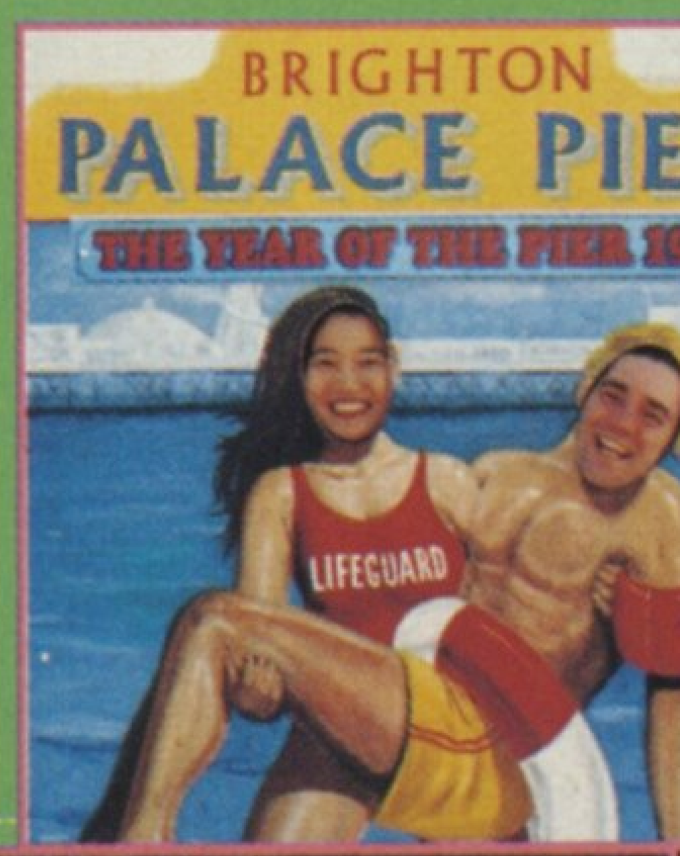
promenade, they see a posse of anti-road protesters scaling lampposts, parading back and forth across pelican crossings and generally causing a right snarl-up. “Look at that pillock,” says Ian, pointing out a particularly ragged specimen, “what does he think he’s doing?”

“Hey, James, James Price!” shouts the Catweazle look-alike from the top of a traffic light.

“Tarquin, is that you? Peace, brother!” bawls Pricey, as he bolts into the throng and starts dancing with a pretty, though obviously stoned, hippy-chick in a lewd manner. “Moondust, I haven’t seen you for ages,” he drools in her ear. Ian’s gesticulating wildly on the other side of the road and shouting something that sounds like “Peace, you’re well in!” James nods and dances on. What Ian is actually shouting is “The Police are coming!”

Mike makes another note as the meat wagon containing Pricey and a selection of demonstrators pulls away, El Scruffo’s face pressed helplessly against the back window.



Jimmy gets porking, then shows one girl his hot dog while another one shows him her jugs (in the foreground)

PIER PRESSURE

Inevitably, Ian runs aground at ‘Horatio’s’, the end-of-the-pier boozer so named because everyone in it is legless. A skinhead called Wayne is monopolising the Karaoke with shocking Status Quo covers, while Ian gets drunk, downing pint after pint and pouring out his woes to the impassive figure of Mike, who still has his shades on. He could be dead, were it not for the bottles of Beck’s he silently swallows.

“I’ll never live this down,” wails Ian. “Jimmy B’s probably getting it up for the fifteenth time by now and that dozy flower-child is going to think Pricey’s some sort of anarchist hero when he’s let out. It’s not fair. All I want is some old slapper to come up and give me a bit of a squeeze!”

“Ooh, I like your laptop, would you like to see mine?” asks a voice behind Ian. He turns around and hey Presto! – his wish has miraculously come true! She’s no oil painting, but she just about falls within the remit of *On The Pull*. The crazed look that is familiar to regular readers rises in his eyes, he grabs the woman round the waist and they crash to the floor in a flurry of flailing limbs. All this as a nutter on stage launches into an awesome version of *Kung Fu Fighting*, which makes half the punters assume the odd couple are displaying their “expert timing”. Mike’s camera is flashing like a strobe light. This is the scene that greets Jimmy B and Pricey as they enter the bar.

“Well, well,” laughs Jimmy, “so Ian has got some spunk after all! That makes the lookout pretty bleak for you, Pricey-boy!”

“Hey, I wasn’t crying,” bleats the reformed urban terrorist “The sea air plays havoc with my eyes.”

“That’s not what Moondust thought when we saw you outside the cop shop. She was disappointed in you, James. Actually, she’s a very nice young lady…” “Just help me prise Tindale off this old steamer,” says Pricey. “Blimey, he’s clinging on tighter than a limpet!”

HOT ROCKS!

When the threesome have regained their composure, they gather at a table to compare notes. “We saw what Ian’s been doing and I’d rather not talk about my experience, but what happened to you?” Pricey asks JB.

“I discussed the drinks trade.”

“Ah, but you didn’t score, did you?” laughs the shoddy Shah of sartorial shabbiness.

“That reminds me, I need to book a room,” comments Jimmy B, picking up his mobile and dialling. “Hello? Yes, my usual room please. Have some champagne sent up at midnight. Bye.” The mobile is waved teasingly in the air. “I’ll get them in,” the stud says to the student and departs. By the time he’s returned, he’s chatted up both barmaids and the girl selling hot-dogs from a stall outside.

Ian has come out of his ecstatic trance. “You did get all that on film, didn’t you?” he asks Mike, a man with fewer facial expressions than Buster Keaton. The Karaoke system blasts out the opening bars of Sinatra’s *The Lady Is A Tramp* and without a word, the Mike machine climbs onstage and starts crooning as if he’s in residence at Caesar’s Palace. The Pull Crew stare in amazement as a woman in the audience takes off her knickers and throws them at him. He pops them into his top pocket, finishes the song and the bar erupts. He walks back to his seat and opens another bottle of beer as if nothing had happened. Very strange.

Mike revives the Sinatra/Mafia rumours again

The rest of the day passes in a blur of Karaoke and Holsten Export. Pricey sings *Smells Like Teen Spirit*, which goes down like a fart in a spacesuit, and makes the mistake of trying to follow it up with *Agadoo*, until he is buried under a hail of empty bottles. Ian’s monotone rendition of Kraftwerk’s *The Model* has every woman in the place reaching for their personal security alarms. Sickeningly, Jimmy has an angelic voice and his cheeky rendition of *Just A Gigolo* means there’s not a dry seat in the house.

Final marks? Jimmy B: an inevitable 10/10. Ian: a respectable 6/10. Pricey: a pitiful 1/10. Ⓜ

What are you studying?
I'm supposed to be training as a research botanist – but with such beautiful countryside around, and the great weather we get down here all year, I don't spend as much time in the lab as I should.

So you're an 'outdoors' type?
You bet! Anything out in the open is for me. As part of our course, we had to go out into the bush and examine all the flora. We walked and collected specimens during the day, pitched camp in the evening and slept under the stars, which were so bright out there, you wouldn't believe it!

How many of you were there?
Just four of us – two blokes and two girls.

Any romantic entanglements?
Well, we were out there for the best part of a week, you know! We did pair off after a couple of days, then we found this funny little bar in the middle of nowhere, got absolutely smashed on the local hooch and decided to swap partners, which turned out to be a good idea – I'm still seeing the bloke I wound up with.

What does he think of your modelling career?
He loves it! He's started a scrapbook full of pictures of me. When he sees me in **Mayfair*****, he'll probably go and buy about a hundred copies!***

That's fine by us! What have you got planned for the future?
I'm going on an expedition to Tasmania in a few weeks, which should be exciting. It sounds like I'm just on holiday all the time, doesn't it? I do work quite hard as well, honestly! I'd like to do some more modelling work, and maybe visit Britain.

If you need anywhere to stay, Jane, just let us know… Ⓜ

MAYFAIR Male

Last summer, a scorcher as you may recall, I went to a beach that had deep dunes where you could sunbathe in breezeless conditions without attention. I found a lovely spot, and had only just stripped down to a white lycra thong when I was approached by a beautiful young lady enquiring as to the time.

I felt a bit embarrassed about my negligible attire and had to stand up to search for my watch. I knew she was looking at my swimming costume, where my cock was semi-hard due to the heat. Her accent told me she was French and she had a lovely body under her T-shirt and shorts with firm, large boobs that immediately appealed, so I was pleasantly surprised when she asked if she could sunbathe too.

"Be my guest," I replied and began to make conversation. She answered my questions while she removed her top to reveal the smallest bikini bra I have ever seen. Two tiny triangles covered her nipples, held in place by thin string. As she removed her top, her left nipple was exposed for a second. She calmly nudged it under again with a fingernail and proceeded to peel off her shorts.

Her briefs were even smaller and her body was absolutely gorgeous. With her nipples standing out and her slim waist and broad hips beside me, I could feel my cock pushing against the sand as I lay on my front.

She offered to put sunscreen on my back. I went even harder feeling her fingers stroking me, working up and down my legs. Then it was my turn. Before I knew what was happening, she'd removed her top and her breasts leaped out. She cast the bra onto the sand, gave me a little smile, then turned onto her front and told me to do her back.

Rubbing her back and inner thighs, my hands were shaking so much I could barely control myself. She turned to face me, glanced at my bulging pants and said: "Now do the front." I couldn't believe it as she encouraged me to oil her breasts, tummy and the skin around her bikini bottom.

I couldn't take my mind off the neatly-trimmed bush that must lie underneath, and almost without thinking I put a big glob of suntan lotion onto my palm and slipped my trembling hand under the material and into her hard, dense pubes.

"That's nice," she said, "but rub a bit harder."

Now that I knew it was what she wanted, I stopped being nervous and stroked her clit with a quick, delicate finger, keeping her absolutely sopping by applying more oil every few minutes. My cock was so hard, I thought it would rip my thong. She reached over and pulled it out, working my shaft up and down while I brought her closer and closer to climaxing.

With one final gasp, she came and I could feel her juices flooding all over my fingers. That was all I needed to set me off, and an arc of hot come shot all over her face and tits. It felt like I was never going to stop, and she kept me going for ages by immediately sitting up, pushing her mouth right down my shaft and sucking every last drop of spunk from my cock. We collapsed onto the sand together, exhausted. Now, every time I see a beautiful woman in a bikini, I'm reminded what a great fuck she was, so please, please, more pictures of women in bikinis on the beach!

Mayfair's no-nonsense guide to getting legless in what used to be Leningrad…

When the editor ordered us to "keep next weekend free for a piss-up", we figured he was planning another knees-up at his dodgy old local in the East End, but then he added "… and don't forget to bring your passports tomorrow – I've got to get 'em over to the Russian embassy."

Cripes! Were we to be banished to the Siberian salt mines, all because of that quip about his missus we slipped into last month's issue? As it turned out, he just fancied getting legless in a country with an even weaker currency than our own, so we packed our mittens and headed for Heathrow.

"Wonder if it's like the films?" we mused as we wandered round the duty-free airport shop, stocking up on essentials. *Dr Zhivago, Gorky Park, From Russia With Love…* surely all the ermine-clad, high-cheekboned Slavic lovelies would be well impressed by our bottles of Johnny Walker Black Label and cartons of Silk Cut! In the event, things turned out rather differently. Gone are the days of compulsory tours of tractor factories and beetroot farms. We ended up visiting a 'traditional' olde English pub on the outskirts of St. Petersburg, indulging in a suicidal drinking session with a self-styled Tsar of vodka and even taking our lives into our hands by checking out the night life. And no, we didn't see any evidence of the Russian Mafia. They don't exist, definitely not, all Russians are very nice people (please take the gun away from my head now, Igor).

So here it is: The *Mayfair* Guide To St Petersburg…

GETTING THERE

It is about as cheap getting to St Petersburg as it is staying there. In other words, not that cheap at all. At the moment, Aeroflot could get you there for as little as £310, but they will probably want you to pay for the ticket in cash or by banker's order. Credit cards are not accepted by Aeroflot.

British Airways are offering return flights for £446, plus £10 airport tax. Lufthansa's return flight to St. Petersburg is £463, including airport tax and a complimentary sausage.

Intourist, the former Russian state tourist firm, offers three-night weekend breaks in St. Petersburg for £399 per person (staying at the clean and efficient Pulkovskaya Hotel, 8km from the city centre) or a seven night package for £485 per person. Its three night 'deluxe weekend break' staying at the Grand Hotel Europe (one of Europe's most luxurious hotels) costs £640 per person.

VODKA IS A TONIC!

Take it from Dimitri, restaurant manager at the Grand Hotel Europe, Vodka is a man's, man's, man's drink. Only pure, smooth, genuine Russian distillations are the real McCoy. Our attempts to stand up for foreign versions like Absolut (Sweden), Wyborowa (Poland) and Finlandia (er… Finland?) were put to the sword in true Cossack style: "Such vodkas are for women!" he sneered.

"Vodka is the perfect relaxant and heater," Dimitri rambled, "warming everyone with good spirit. My grandfather who is 83 still drinks vodka and says it preserves and purifies him from the inside. He is a true Russian!

"When I was in the Red Army," he continues, with a far-away look in his eye (okay, he's pissed), "and I was stationed near Murmansk, we would drink it in the sauna on our days off, complementing it with cucumbers and gherkins. It left no hangovers." You what?

We've drunk vodka from Maidenhead to Marrakech, and to believe that it is some kind of supercharged cleansing mineral water, which is hangover-free, is obviously bollocks. But when you are in the mood to go absolutely sodding mad, it is fantastic rocket fuel. The following day… oh yes, you pay the price. Death in a shot glass, that's what Russian vodka really is.

KLUBS AND DISKOS

The night-club Tunnel is the hottest place in town for trendy young things. Housed in a former bomb shelter, it attracts top domestic and international DJs playing house and trance. The closest Metro is Gorkovskaya.

For a truly wild time hunt down Lis's Night-club, near the Park Probedy Metro station, which is frequented by the usual gangsters and prostitutes but features live sex shows from time to time (Top fascist Vladimir Zhirinovsky is rumoured to have porked porn star La Cicciolina in an adjoining room).

The Stardust Night-club, behind the Peter and Paul Fortress, also stages 'erotic shows' from time to time, usually in the wee small hours. The audience may be asked to participate in a stripping contest (so wear your smartest, cleanest Y-fronts).

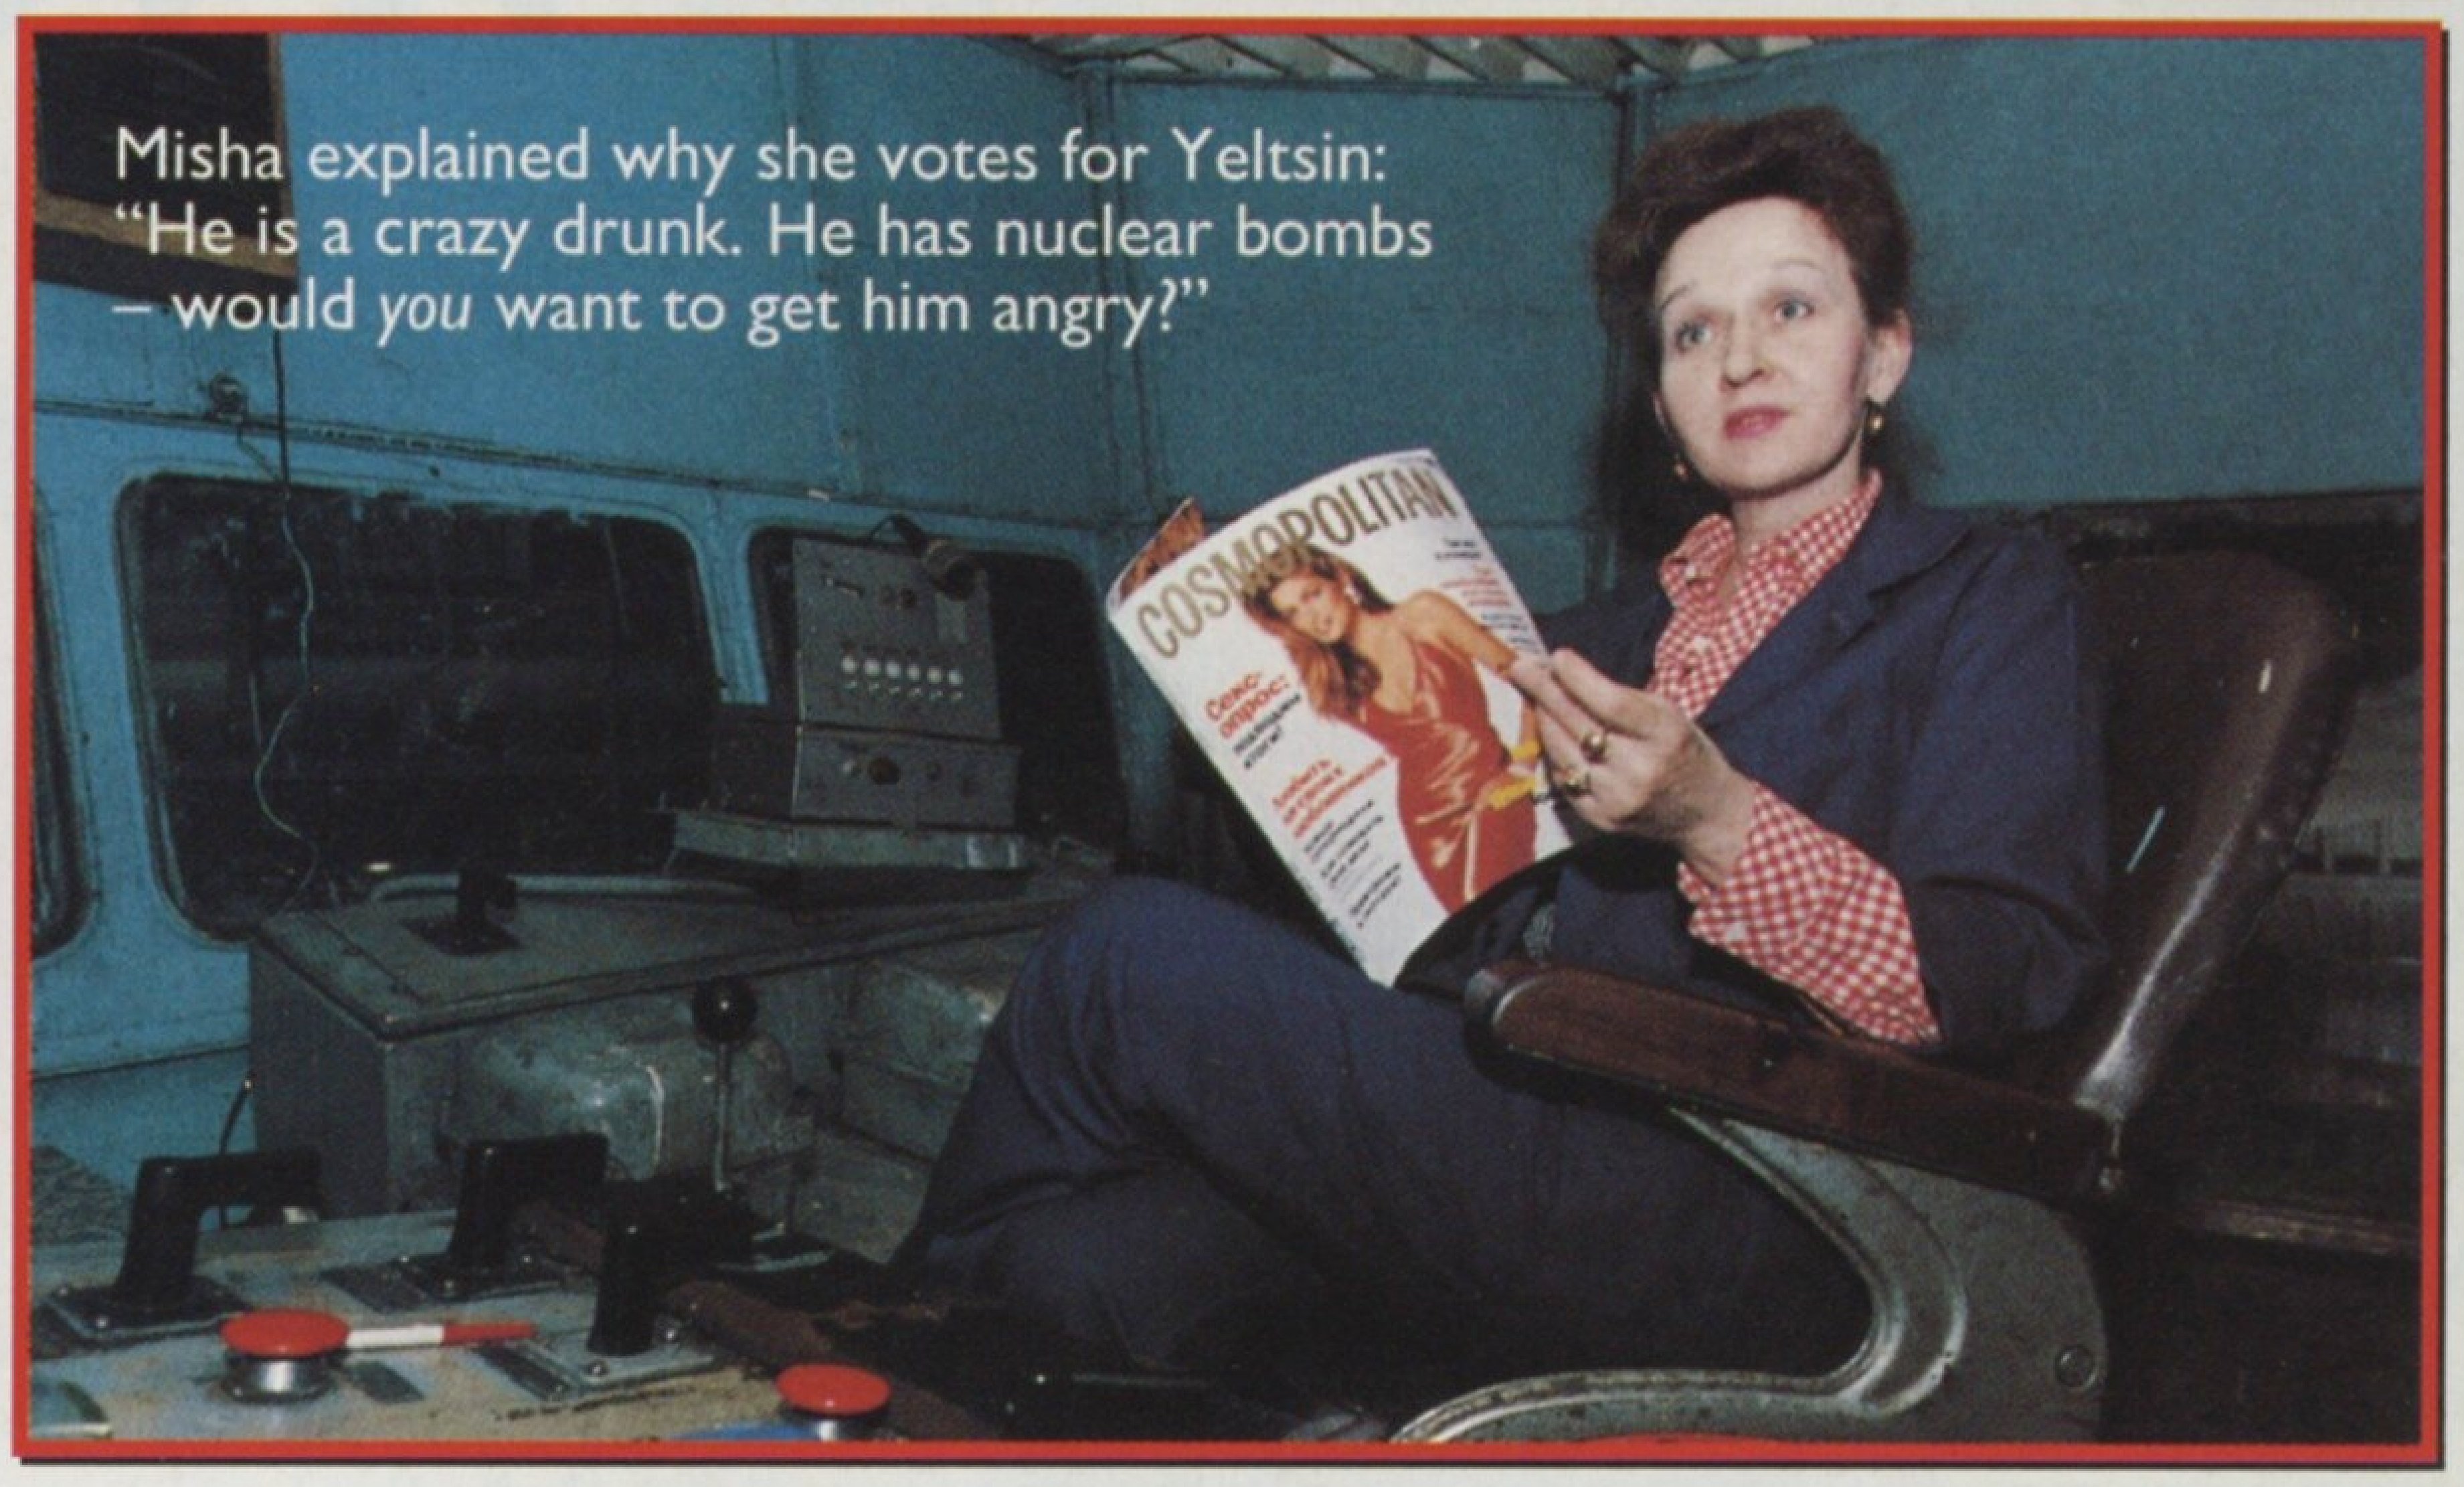
VOT YOU VANT?

Hello, my name is… = Za-drast-ye, min-ya-za-voot…
Where is the bar? = Gud-yeah-bar?
What is your name? = Kak-vas-za-voot?
Would you like a drink? = Vam-biy-shto-neeboot viypeet?
Do you swallow? = U-vas-soo-oh-loo?

REDS ON THE BED...

Contrary to cold war propaganda, Russian women are mainly attractive and sometimes real jaw-droppers, but finding one in St. Petersburg to get comradely with without paying a pretty penny in nightly rental may prove impossible. Prostitution is rife in St Petersburg, with the Mafia gangs running a very lucrative – and stunning looking – stable of lasses, mainly based at the plush hotels around Nevsky Prospect, St. Petersburg's main drag. In the old days it was the KGB who ran the girls, to glean information from loose-lipped Westerners. Now, however, that girl eyeing you up is thinking only of your fat Western wallet rather than state secrets.

At top of the range whore joints – hotels which cost around £300 a night for a room – a girlie will set you back £150 for an all-nighter. At the lower end of the scale, in the hotels that cost around £60 a night, Room Service may bell you at midnight to ask if Sir requires a female bed companion. The basic cost for an all-night bonk will be between £60 and £100, but you'll also have to buy them breakfast downstairs in the morning (and they have BIG appetites – at least that's what we've heard).



Misha explained why she votes for Yeltsin: "He is a crazy drunk. He has nuclear bombs – would *you* want to get him angry?"

Dimitri's Vodka Drinking Etiquette:

i) Take the chilled glass, which should be rested in a bowl of ice and pour in neat vodka from a bottle which should also be nestling in ice.

ii) Throw this down your throat with a nonchalant flick of the wrist.

iii) Between thumb and forefinger seize and immediately munch a Zakuski. Zakuski are little eats which can be anything from whole pickled garlic, French beans, or salted fish to spicy meat balls in dough or caviar on toast.

iv) Take a slurp of chilled mineral water to cleanse the palate.

v) Start process again.

vi) Repeat until you declare undying love for everyone in the restaurant/bar/bedroom/Siberia.

vii) Run amok. Possibly invade a small country.

viii) Collapse: under table/in street/economically.

WARNING: If you buy 'home distilled' vodka from a kiosk, only buy screw top stuff and ensure the seal is unbroken. In fact, avoid the kiosk alcohol at all costs. In the past people have been killed by tainted 'vodka'. Besides, a bottle of Stolly only costs a couple of quid at the supermarket, miser!

VIS-A-VISAS

Old habits die hard. Not only do you have to have visas, you are also required to register with the local authorities once you get to St Petersburg. Visas can be obtained once you have a booking confirmation from a firm which has arranged a package, or from a hotel you have contacted. This must be submitted, along with your passport, a special application form and three passport photos to the Russian embassy in London. Package tour operators can handle this for you.

Dimitri's Famous Five Real Russian Vodkas:

Russian Kristall
Stolichnaya
Krepkaya
Moskovskaya

BEDDY BUYS

For security's sake it's wise to stay in a hotel that costs no less than £60 a night for a double. But even in the good hotels, don't leave valuables in your room. The Pribaltiskaya offers good double rooms for around £70 a night, but is out on Vasilevsky Island. Then there is the Hotel Moscva – £60 a night for a double room – an authentic Russian three star hostelry. The famous Hotel Astoria is £156 a night for a double. At the Grand Hotel Europe a 'Classic Single' room costs £197 a night and an 'Imperial Suite' costs £1,134 a night.

FOOD FOR NOUGHT

BREAKFAST

It's safest to eat in your hotel, but if you want a traditional Russian breakfast, grab a tin can and follow the locals to a beer cart in the street, where they'll fill it with, er, beer.

LUNCH

Try the Pizza House near the Metro Technologchecky Underground station. Finnish pizzas (?) are a speciality and it has a very long and strong beer list. If you're missing home, head to "The Dog And Fox", a British pub near the Chyornaya Rechka station where you can get even more beer with your bangers and mash.

DINNER

Borscht is no longer compulsory, and top restaurants are as good as anything you'll find back home (at least Russian beef is safe). The Grand Hotel Europe is for the Russian rich ('businessmen' like Robbie Coltrane in Goldeneye) – strictly cash only, unless you've got some serious plastic. Ask a waiter for the special kids' 'n' bodyguards' menu.

Q *How did you get into the industry?*
A I had someone make me an eight minute video and sent 40 copies of that out along with some photos. A year later I was signing autographs!

Q *What's your favourite scene ?*
A I like sex scenes where I have freedom to change the positions myself. I love to make my body look good and create interesting positions so movies like *Baby Got Back* were very good for me. The last one I did was *Toot-Z-Roll*. I did two scenes in it, one in the back of a taxi cab stretching out in all different weird ways.

Q *Which positions do you like best?*
A I love going down on men. I love giving pleasure. I've never found a dick I couldn't take down all the way.

Q *Are you bisexual in your personal life?*
A I don't think so. I never had a lesbian experience prior to doing a film scene. I've never been in love with a woman before, but that doesn't mean it won't ever happen. I like men. I'm totally fascinated by the way they work. I love trying to figure them out.

The thing I like most is touching a man's body. Since I'm not a man I get to explore in places that I'm curious about. With a woman I'm more awkward. That doesn't mean that I can't fantasise about it, but for now I'm happy being dicked and riding high! Who knows, maybe there is a woman out there with the pussy for me...

Q *Where do you prefer the guy to cum?*
A I prefer the guy to cum somewhere I can see it. I don't mind them cumming in my mouth, but I love having it on my body and rubbing it into my skin like hot sun tan lotion.

Q *What are your biggest turn-ons?*
A I love men. I love watching them walk. I love them in pants. I love them in boxer shorts. I love hairy chests and hairy legs and tall, muscular men. I just can't get enough of running my hands over their muscles and making them explore me.

Q *And your turn-offs?*
A Men who wear spandex. I don't like to see men in tight clothing. I don't want to see, I want to use my imagination and play. I want to come up with my own ideas and be surprised. Subtlety is one of the biggest turn-ons, you know, it makes you feel appreciated.

Q *Do you like to masturbate?*
A Yes. I don't think anyone doesn't enjoy touching themselves. I think about whatever at that moment turns me on. I love dirty books because they have so many different fantasies to spark your imagination. If I read something, I want to do it or I use it and I think about it over and over again until I'm really hot.

Q *What are you best at?*
A I do what's necessary to make guys happy and I think that I'm quite good at it. Most sexual pleasure comes from knowing that you're satisfying someone else. When I look at a guy's face while he's ramming my pussy, it really makes me want to come. I'll start to bump 'n' grind then, giving as good as I'm getting until they can't stop themselves coming!

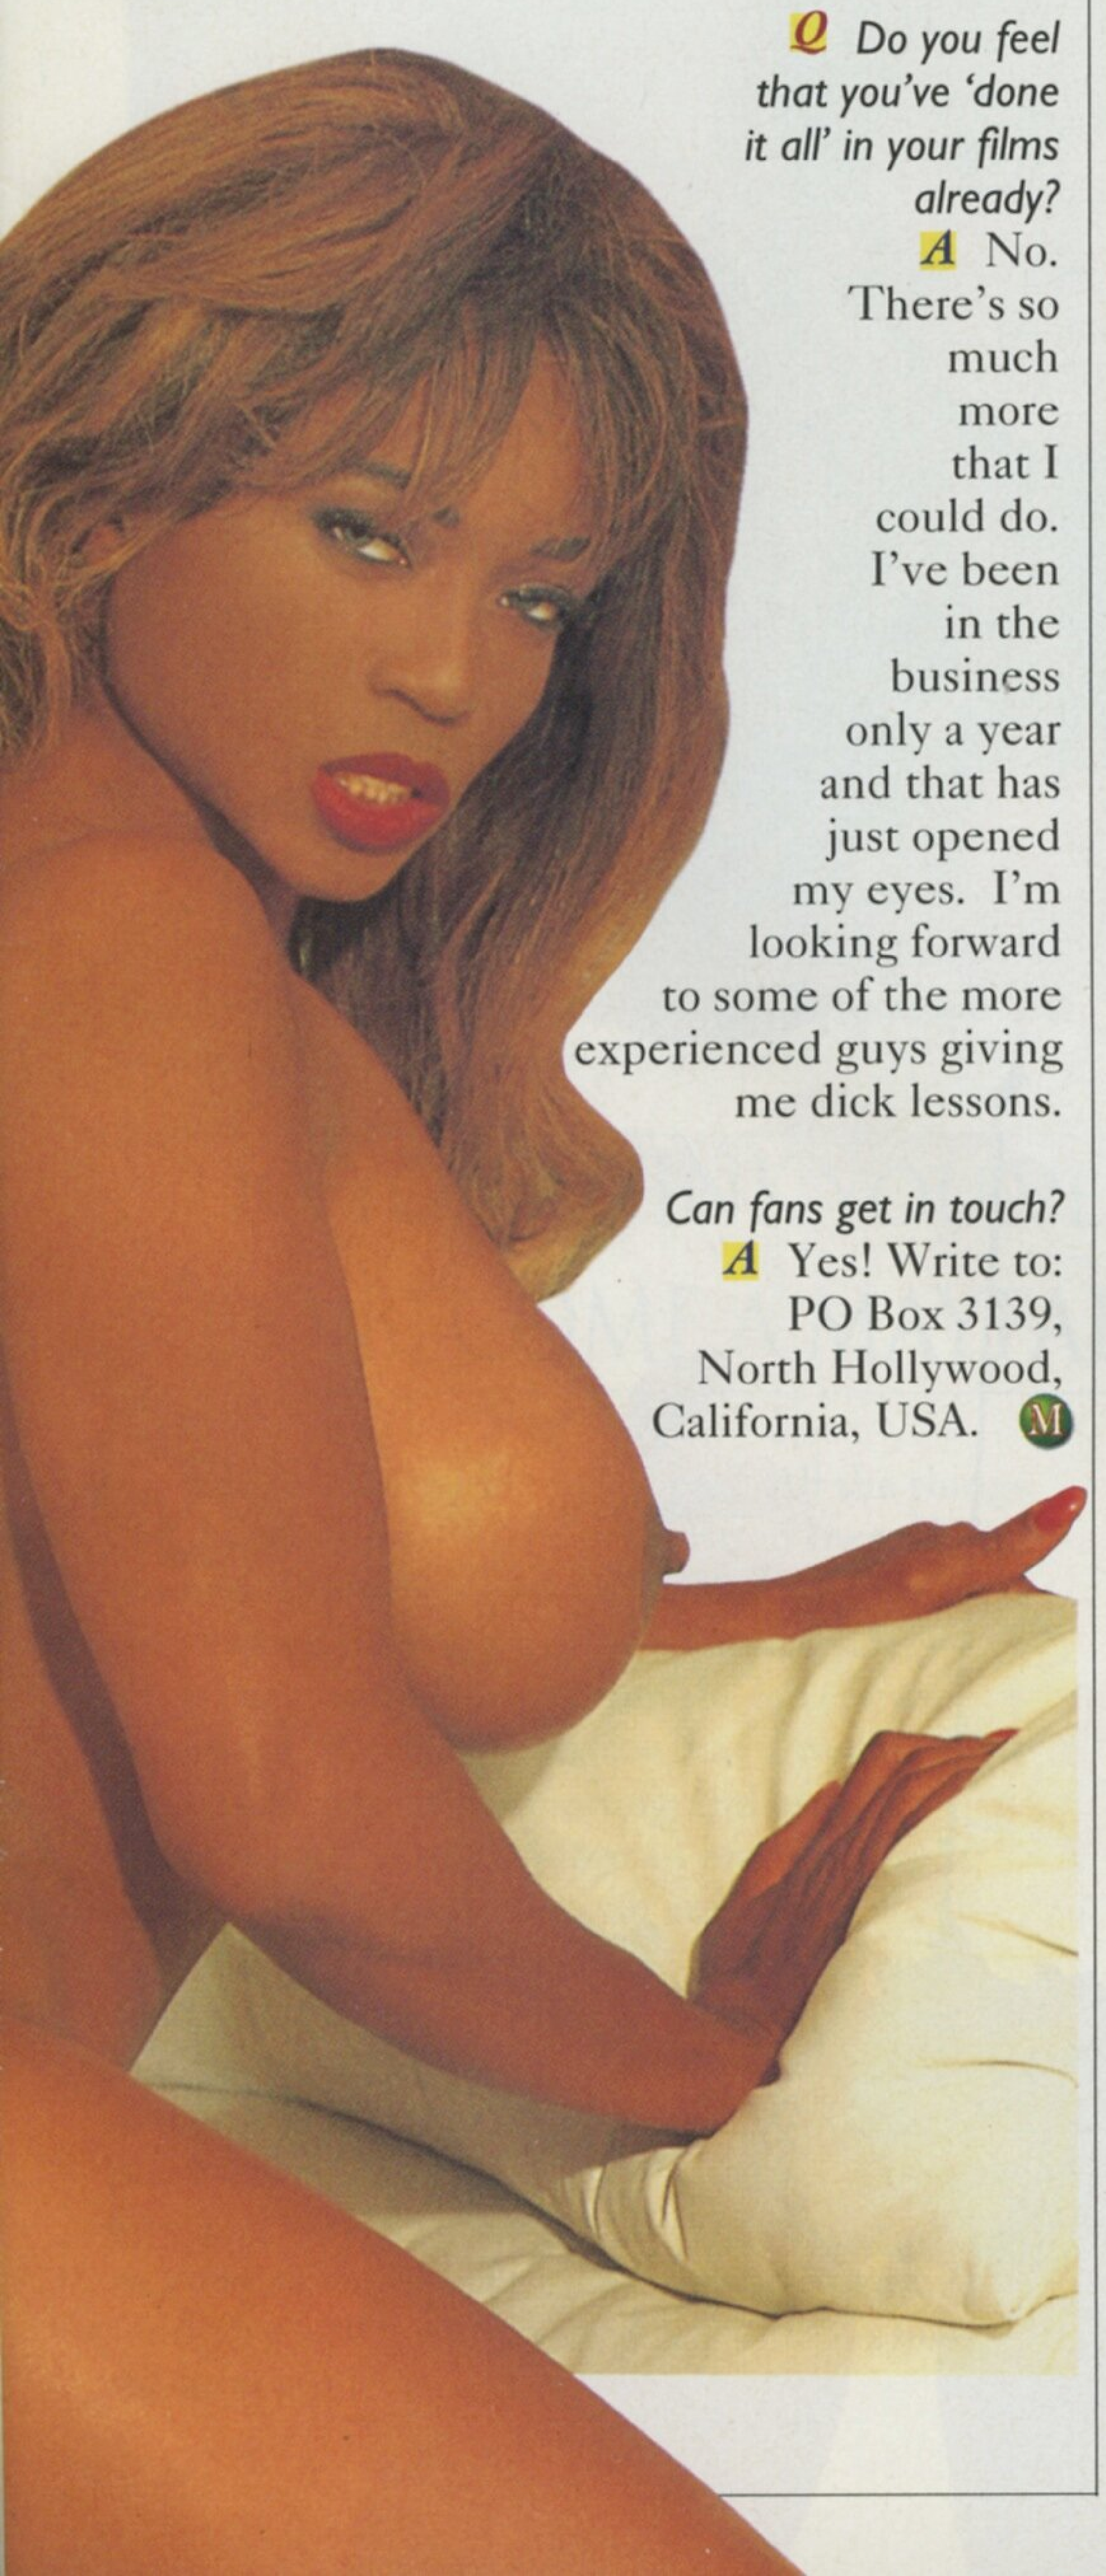
Q *What do you like about your body?*

A The colour, the evenness of the skin. I love my skin, it's soft. I'm very lucky, it's virtually hairless, so it makes my long legs look extremely smooth. My body's all curvy. God gave me a good combination: small waist, nice flaring hips, a great butt and big tits. I like what I look like!



Q *Do you feel that you've 'done it all' in your films already?*

A No. There's so much more that I could do. I've been in the business only a year and that has just opened my eyes. I'm looking forward to some of the more experienced guys giving me dick lessons.

PHOTOGRAPHED BY STEVE COLBY

A yachtswoman, eh? Where have you sailed?
I'm a professional aboard a giant catamaran. Basically, our sponsors pay us to take part in all sorts of things around the world – it's the best way there is of travelling, and you'd be surprised how fast a yacht can get you from one place to another.

But there must have been a favourite…
If I had to choose, it would probably be Bali. I was having a bit of a fling with one of my fellow crew members, and we were taking part in a race series there over two weeks. Every evening, we slipped over the side into the warm water, swam ashore and made love on the beach, under the stars. Then we had to stop, I'm afraid…

Why?
He was eaten by a shark. Only joking! No, the skipper found out and warned us. Actually, I think he was jealous.

That's understandable – you're a very sexy woman.
It wasn't my bloke he was jealous of!

Is there much hanky-panky 'below decks'?

You wouldn't believe how much! It's alright though, most of it happens outside the four-mile limit. When you're going around the world, there's not very much entertainment on board, so you have to make your own – I've been on boats for months at a time, and by the end I've shagged every man on board, and a few others at the ports we've called in at!

Sounds exhausting…

You've got to do your bit for international relations, haven't you? I'm not sure our sponsors would be too happy if they found out, though!

Aren't you a bit worried they'll read this?

No way, they're all far too square to read Mayfair. *Some of the top brass came on board last month to pose in front of the cameras for the company newsletter. We'd hardly got out of port before they were all throwing up over the rail. I've never seen such wimps!*

What have you got planned for the future?

I think our next big trip isn't for a few weeks, so I've got a chance to catch up with my old friends, get drunk, go clubbing, and pull blokes, like any normal woman. I can never stay long in the same place, though…

36D boobs and teases my clitty with his finger, but that usually takes place after he's rammed his eight inches inside me, not before.

My first sexual experiences were all about quick, no-nonsense fucking. The first person to teach me how great sex can be was Derek, a local businessman I worked for in the months before I went away to college. He had a reputation as a wide boy and womaniser – a reputation I soon discovered was well-founded! At least he had the decency to let me settle in for a couple of weeks before making his first move. There was no great seduction, but the sexual tension had been steadily building until we found ourselves alone in the office at the end of the day. As I bent over to look through the filing cabinet, he came up behind me, put his hand up my skirt and felt my panties, which moistened instantly.

He literally lifted me up and took me over to his desk, where he bent me over the desktop, then lifted my skirt and pulled my panties down. His nice, thick cock was already erect and he pushed it deep into me. He had great technique, pulling me back onto his cock as he pushed forward at the same time. We kept going for a long time until I came in a very 'shouty' way.

By now I was really hot. I sucked him off for a little while until the twitches his cock started to make told me he was ready to come, then switched onto my back and guided his meat back inside.

Throughout all this, the only items of clothing I had discarded were my panties – even my blouse was still buttoned-up. It was only after Derek had shafted me once more that he began stripping off my clothes and fondling my eager young body.

The precedent had been set. Over the next few weeks, we fucked regularly without any foreplay to get the ball rolling. Most of our fucks happened almost fully dressed in Derek's office. It was simply a case of getting down to serious shafting while we had the time and the chance of being caught was slim. I got used to going into his office while his secretary was away at lunch. As soon as I was inside, Derek would hitch up my skirt, ease down my panties, I'd straddle his cock on his big swivel-chair and finish off by sucking him until he came in my mouth.

By the time I made it to college, I had an insatiable appetite for cock. Most of the students were away from home for the first time and wanted any excuse to go wild, which offered plenty of opportunity for me to fuck hunky young blokes. By my second year, I also had a randy landlord who was willing to take payment in kind – ten minutes of sex paid a whole month's rent! The big advantage of having the sort of pussy that doesn't need attention before the cocks go to work is that you can be a 'Martini Girl': in other words, any time, any place, anywhere!

ANGELA RIP-'EM-OFF

As one who has enjoyed the harmless delights of masturbation for many years, I would like you to know that the most erotic photograph I can recall seeing, which has drained me of sperm by the pint, is one of Angela Rippon doing a high kick in the chorus line on *The Morecambe And Wise Show*.

Long, firm, strong legs well-parted and displayed and perhaps the slightest hint of Angela's exquisite and interesting cunt peeping out from a thin strap of creamy white knicker!

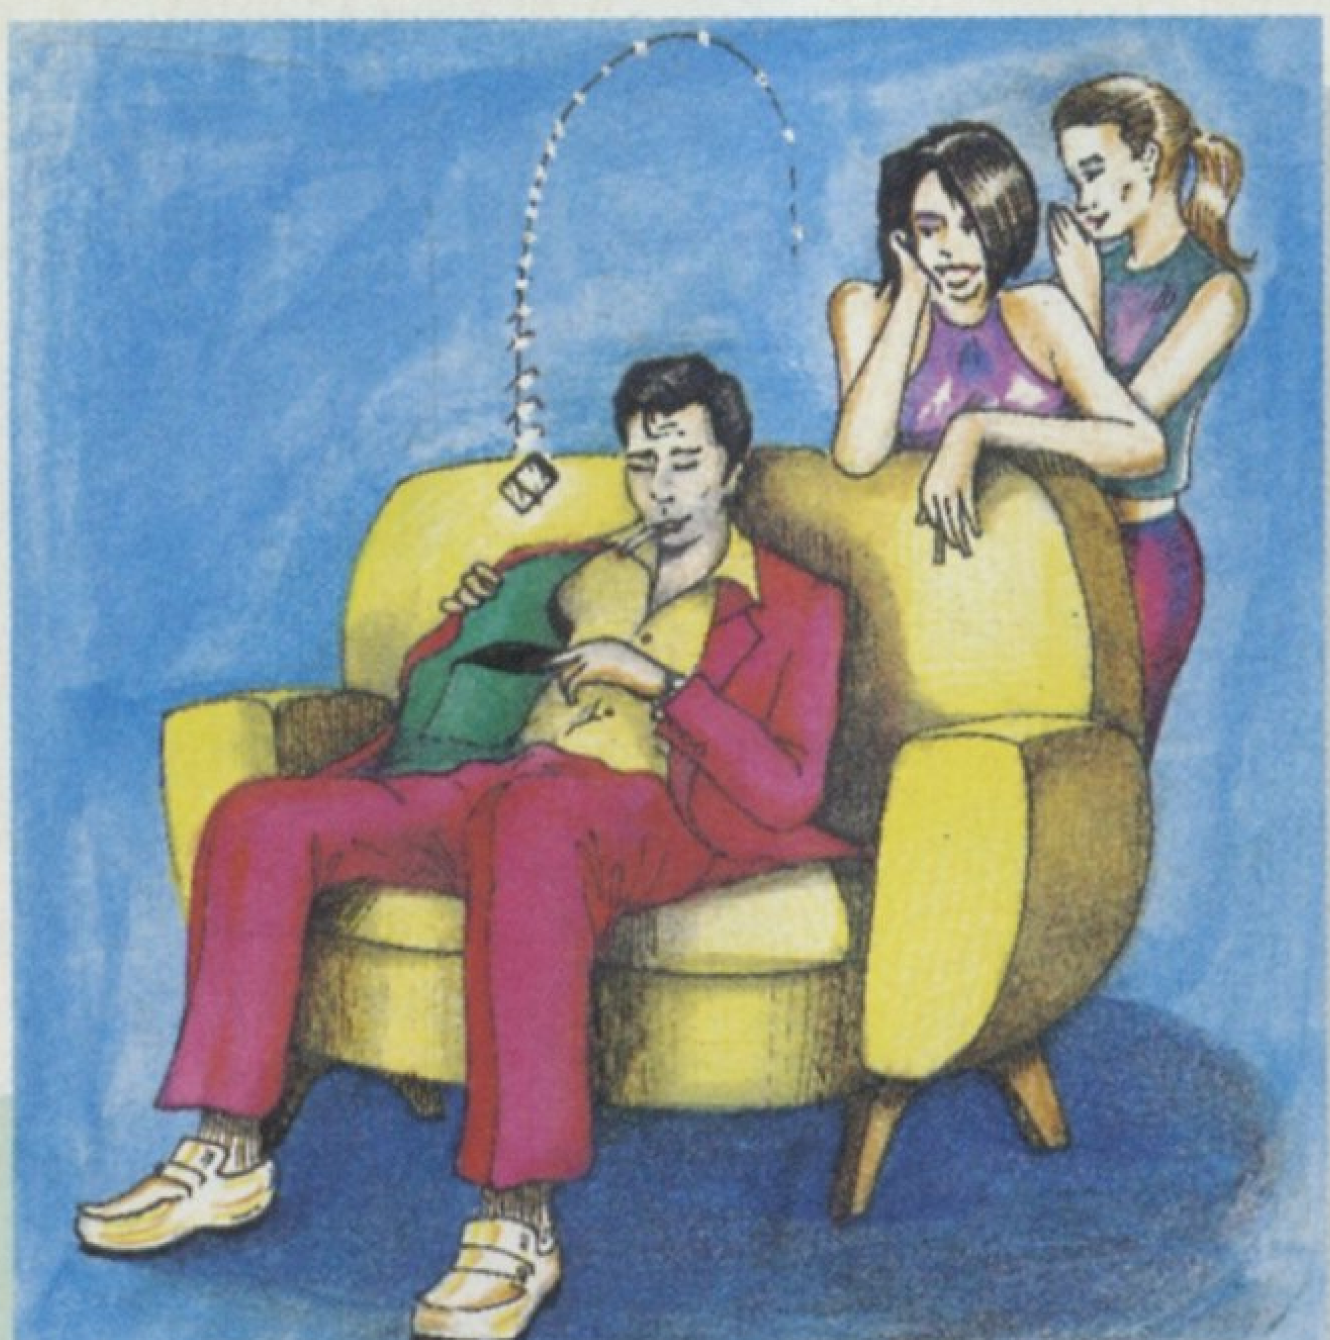
IF YOU WANT TO LIVE A LONG LIFE, SMOKING IS NEITHER BIG NOR CLEVER. BUT IF YOU WANT TO HAVE FUN WHILE YOU *ARE* ALIVE, SMOKING IS ACE. MIKE COLLIER OFFERS CHIC CIGARETTE TRICKS TO IMPRESS THE CHICS. ILLUSTRATIONS BY WALTER TRAVIS.

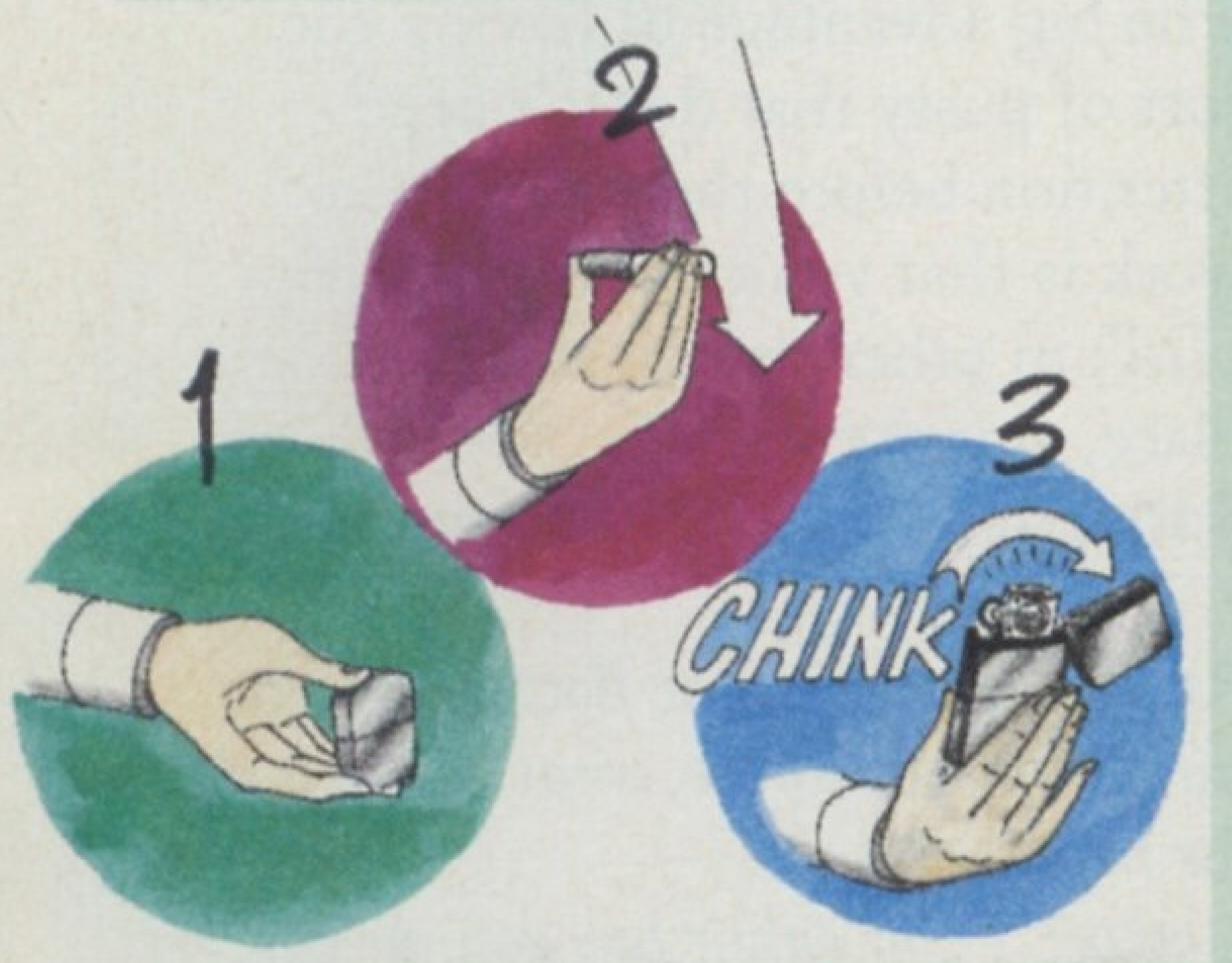
FILTER-TIPPED TRICKS



'The Mystery Train'

Difficulty Rating: 9/10
Embarrassment Factor: 7/10

Jim Jarmusch's film *Mystery Train* has several outstanding cigarette moments, the pick of the packet being performed by a Japanese Carl Perkins fan. It's simple in principle, but just you try it! First, put on a jacket with inside pockets. The main thing to remember is that you've got to do everything as nonchalantly as possible, as if you're not even trying. A Presley sneer will put you in the right mood. Using combinations of the other tricks, get a fag in your mouth and light it. Whip your lighter shut and throw it high into the air, without looking up. As it plummets towards earth, pull one side of your jacket open with one hand, hold your inside pocket open with the other and catch the lighter inside. Let go of your jacket and carry on smoking as if nothing happened.



'The Zippo Flippo'

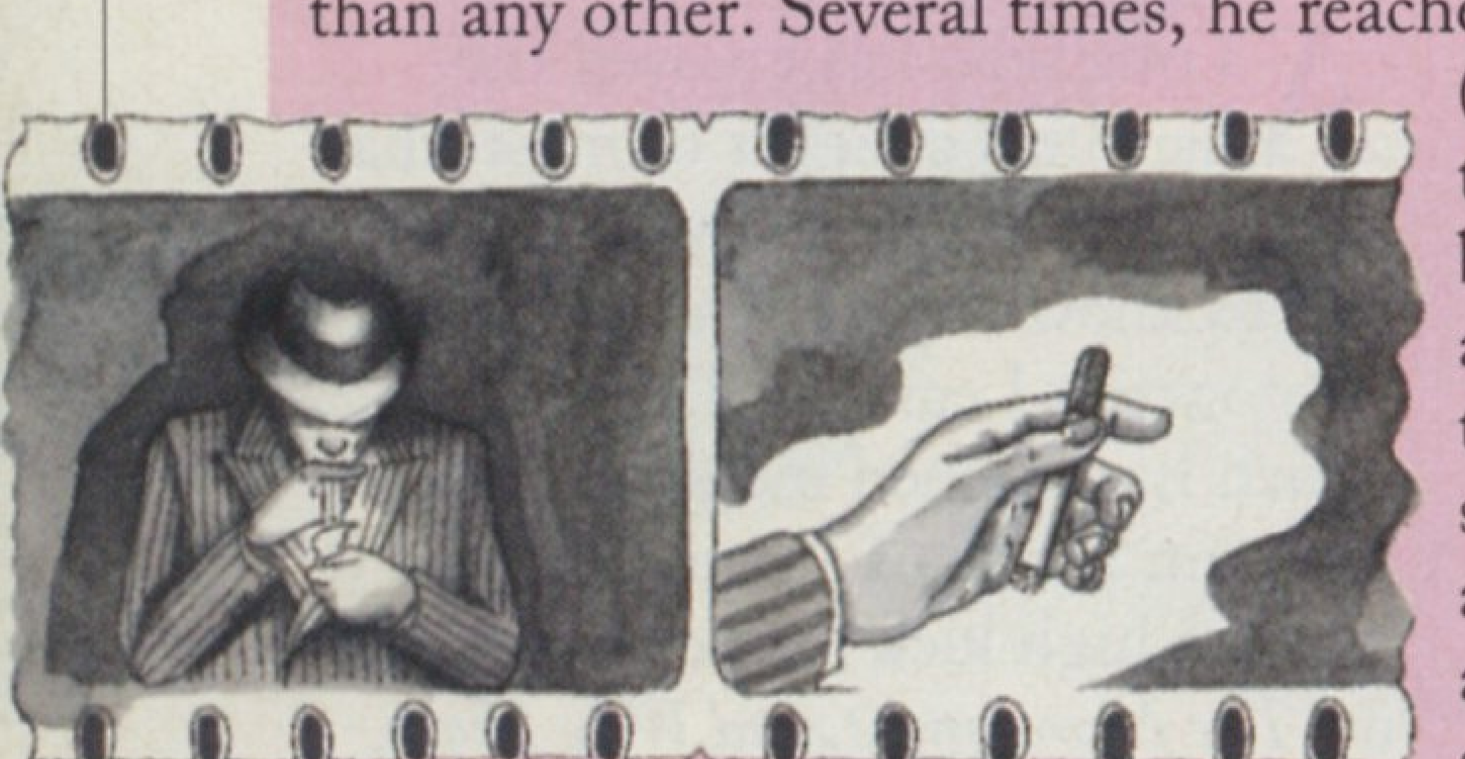
Difficulty Rating: 6/10
Embarrassment Factor: 6/10

When we called the Zippo people to ask for suggestions, they said they didn't want people doing tricks with their lighters. Huh? That's the only reason to buy one – if you're after a good lighter, you're better off with a Ronson, which is more unusual, stylish and is British. Zippos are Yank toys to do tricks with, and there is a vast repertoire to choose from. Place one upright on the underside of your finger-tips, and put your thumb pressing down on the lid. Flick your hand down, then up quickly, pressing your thumb hard on the edge of the lid at the exact moment you change direction. The lid should flip open with a satisfying metallic 'chink'. Takes some practice, and it'll ruin the spring after a while, but they're supposed to be guaranteed, aren't they?

'The Bogart'

Difficulty Rating: 1/10
Embarrassment Factor: 4/10

Ideal for the beginner, this isn't really a trick at all, but will teach you just what fantastic fanny-magnets fags can be. Watch Bogie in *The Big Sleep*, a film with more puffs-per-minute than any other. Several times, he reaches into his cigarette case (nice touch) pulls out two ciggies, lights them both at the same time, and only then offers one to Lauren Bacall. Do it slowly and sensually, and it's almost as good as sex. Just make sure she's a smoker first!

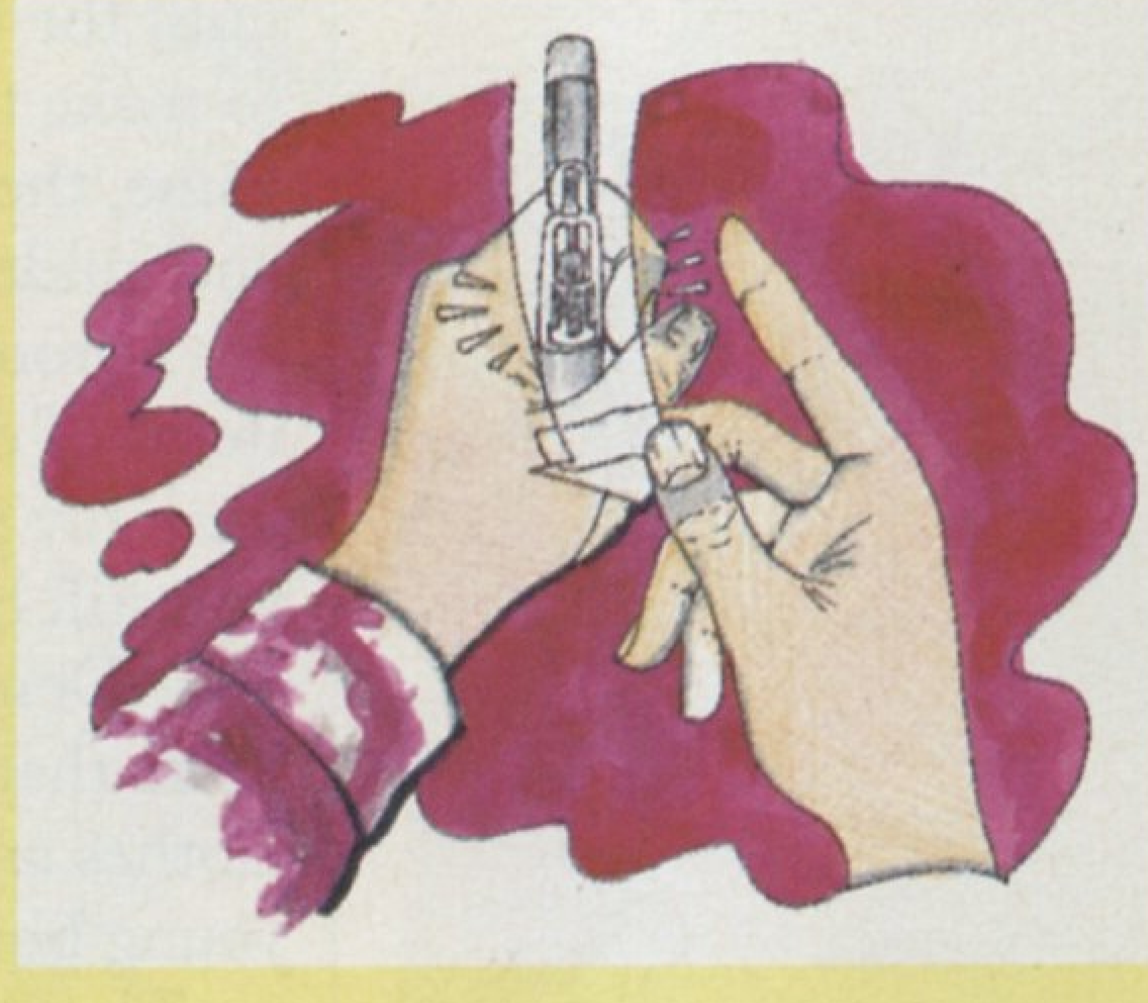


WANTED:
ROLLEROO ROYSTON

'The Old Rolleroo'

Difficulty Rating: 9/10
Embarrassment Factor: 3/10

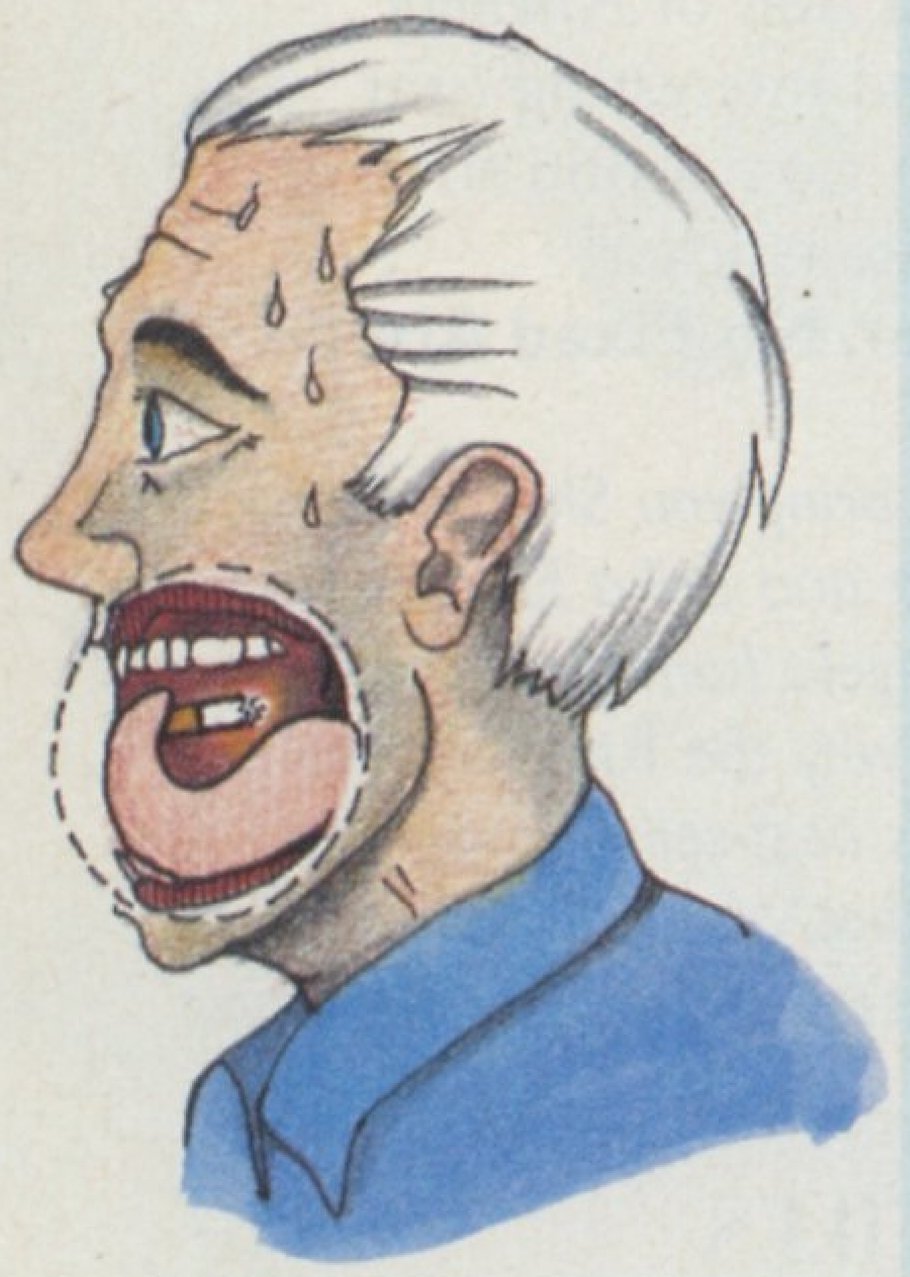
One for the student fraternity, dossers and other 'budget' smokers, this involves the cowboy's favourite, the roll-up. Rolling a good, straight cigarette that doesn't go out every two minutes is an art in itself, but if you can do it one-handed, you are the smoking equivalent of a Shaolin master. It'll bring amazed gasps from onlookers, but takes approximately 20 years to get right.



'Keitel's Klick'

Difficulty Rating: 3/10
Embarrassment Factor: 3/10

Another easy one, and another film link, this time to *Reservoir Dogs*. Harvey Keitel, tensed up and bloodstained after the bungled robbery, puts a fag in his mush, pulls out a Zippo and clicks his fingers a few times. The lighter flames as one of his clicks catches the wheel – cool! This is a good one for clubs and gigs, where you can click to the rhythm as you move your hand closer to the lighter. Drawbacks? Everyone will assume you're the sort of saddo who dresses up in black suit and shades on your weekly visit to see the film.



'The Tongue Of Death'

Difficulty Rating: 8/10
Embarrassment Factor: 9/10

Tricks involving lighted cigarettes are dangerous, so don't blame us if they go horribly wrong. There are many variations on this trick, which involves reversing the cigarette in your mouth without using your hands. Wait until the fag has burned three quarters of the way down and you've shaken all excess ash off, unless you want to be running around the pub with third-degree burns. Keep the filter as dry as possible, and hold it between your front teeth gently with the underside of your tongue on top Then lever the whole thing with your mouth very wide open so the fag is pointing into your mouth, with your teeth acting like a hinge. Hold for a few seconds for applause, then reverse the process. Remember: don't swallow, don't drool, and you can look cool!

FAGS COURTESY OF GITANES/GAULOISES

'The Backflip'

Difficulty Rating: 6/10
Embarrassment Factor: 5/10

Popularised in the eighties by Kenny Everett's 'Sid Snot' character, this one looks dead simple, and anyone can do it – you just need to spend hours practising. Take out a fag, hold it just above waist level with the filter facing away from you, and flip it up through the air into your gob. Two major drawbacks: you miss entirely, in which case you just shrug and try again, or you don't close your lips soon enough and end up spearing your tonsils. The further away you hold the fag, the more impressive it looks.

DANGER
GAS

'White Heat'

Difficulty Rating: 10/10
Embarrassment Factor: 10/10

The ultimate combustible gesture for the style-conscious psycho. You can't prepare for it, unless you happen to be Red Adair. Take a hand grenade and a cigarette (you'll only need one) along to your local gasworks and climb on top of the biggest gas holder you can find (making sure it's nice and full). Wait for the emergency services to arrive, with some television crews in their wake. Brandish the grenade in a generally mad fashion a few times and cackle like a naughty schoolboy. When police marksmen start to take position on surrounding buildings, it's time to make your move. Pull the pin out, lob the grenade as high into the air above you as you can and scream: "Look at me, Ma – top of the world!" Hey presto! Your chosen cigarette will miraculously light itself a few moments later.

PHOTOGRAPHED BY JACK HARRISON

Have you girls ever met before?

Sasha: *I knew Yasmine, and Yasmine knew Kristina, but I had never met her.*

Kristina: *But after a few minutes, we all got on fine, like we'd known each other for a long time.*

Yasmine: *They are both coming to have dinner at my house this weekend.*

Are you a good cook?

Yasmine: *Yes! And there's a market at the end of the road, so when I burn the meal I can buy anything I want and pretend I cooked it all myself!*

Do you get turned on doing a photo-shoot?

Sasha: *Can't you tell? It's great to be with two such pretty girls at once.*
Kristina: *It's a good job you can't tell what we sound like from the pictures…*

Why is that?

Yasmine: *Because we start to get in the mood and talk very dirty to each other!*
Sasha: *I can't believe what you said to me when we were down on the floor together!*

Go on, you can tell us!

Sasha: *I don't think I can translate it properly – she was speaking German.*
Kristina: *I wouldn't call that speaking, I would call that screaming as you have a very big orgasm!*
Yasmine: *No, I wasn't.*
Sasha: Admit it!
Yasmine: *Oh, all right, I admit it. I'll make sure I keep my mouth closed next time.*
Kristina: *What is it you say in English? "That is easier said than done"?*

Who do you prefer to sleep with, boys or girls?

Kristina: *Girls most of the time – they are so soft.*

Sasha: *Men, not boys! I love their strong muscles and hairy chests and the weight when they are on top of you.*

Yasmine: *No, you are both wrong. Why should you have to choose? When I am in a pussy mood I have a girl, and when I am in a cock mood I have a man. And sometimes I am in the mood for both!*

Which nation has the most passionate lovers?

Sasha: *I think the Northern European countries like Germany, Holland and Britain. They are quiet, but when you get them into bed…*

Yasmine: *Wrong again! It's the Eastern Europeans. Russians, Romanians and Poles always drive me mad. I think it is their soft voices. They are very intelligent, too.*

Kristina: *I'm a good European – I love them all!*

MUSIC OF THE SPHERES

Hailing itself as "The Ultimate Music Experience" (beware of anything that's the "ultimate") a new subscription radio service called Digital Music Express (DMX) has just arrived in Britain after proving mighty popular with our German friends.

ARTIST: TINA TURNER
SONG TITLE: PRIVATE DANCER
ALBUM: SIMPLY THE BEST

The deal is that you lash out £300 for a special receiver, then plug one end into your hi-fi, the other into a satellite dish or cable service, pay £7 a month to subscribe and in return, you get access to over 80 themed digital music channels playing continuously, and with no DJs to annoy you.

All very impressive in theory, but it's hard to imagine most people ever listening to more than two or three channels. There are things like the obligatory soft rock and 'oldies' channels which aren't greatly different to what you can pick up for free on local radio stations anyway. More specialised palates can dip into Jazz or Rap, and the French Chansons channel is great for getting drunk and bursting into tears in your room, though we'd dare anyone to listen to Flemish Hits, Hebrew Hits or Beautiful Instrumentals for more than an hour without going completely barmy.

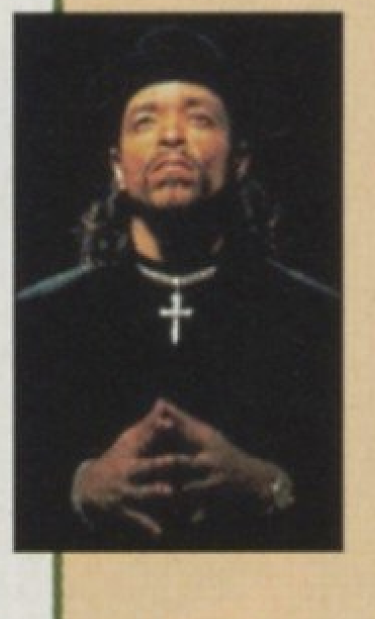
"I did the nasty with Elvis. This man loved to eat. But there was one thing he wouldn't eat… 'til he met me." Cybill Shepherd describes how The King used to go *Way On Down* on her.



"I am a criminal. That makes me a criminologist. OJ did it!" Detective Ice-T displays his Holmes-like powers of deduction.

"In Norway we got busted for having a small – well, actually quite a large amount of cannabis. We were banned but we got more press out of it than if we'd played the gig. Now we're gonna carry big bags of coke, get kicked out of every country around the world and make the headlines!" Ashley Slater, the bald Freakpower singer – who'd be well advised to steer clear of Thailand on any future tours.

"I've had a lot of practice in bed. I rate myself pretty high. And I've got a leather and rubber dress." Dominique Atkins, alias Grace, the Perfecto disco nympho who's either a bit kinky or hopelessly incontinent.

"I used to have a small ball inserted in my bottom lip but now I've got this spike in. I like to tell girls that I'm a genital torturer." Metallica guitarist Kirk Hammett, renowned for his sharp tongue.

INTERFACE IN YER FACE

A survey by Interface Research carried out at the recent Internet Live show in London examined 'Net surfers' attitudes to sex on the Internet. The results obtained from a sample of 1600 people showed that though a liberal 76% weren't concerned that pornography was available, 55% intended to buy software to prevent access to such material. "I'm fascinated by girls with breast implants. I'd like to touch them to see what they feel like. I imagine it would be like fondling footballs." Pulp's Lord Jarvis Cocker. Absolutely right, Jarvo – only a football doesn't slap you in the mush.

"The make-up people had to re-dye it every day to keep it pale. I mean, I am blonde really, I do not want there to be any doubt about that! It is just a bit more mousey than in the movie." Patsy Kensit explains how she 'gets her collar to match her cuffs' in nude scenes for *Angels And Insects*.

"We went to a weird S&M evening in London. These people had a cellar full of whips and torture instruments. To avoid embarrassing situations, we quickly found a couple of slaves to fetch cigarettes and drinks for us. They were really sweet. That gave us the idea for Stand And Deliver. *We would whip anybody; we'd just cover their bodies with strawberry milk-shake and lick it all off!"* Scandinavian songstresses Diva who are obviously perverts. Having just returned from the Cannes Film Festival, Gordon Rondelle – pisspoorazzi slapper-snapper of the lowest order – paid yet another unwelcome visit to the *Mayfair* offices. Before you could say "fuck off Gordon we're not interested," the grubby handles of his tatty Tesco's carrier bag had yawned open, spewing the inevitable avalanche of poorly-framed, out-of-focus slapper snaps onto the Editor's desk.

"Did you manage to get any of Eva Herzigova wielding that whip in her leather gear?" asked the Ed. And amazingly, Gordon piped up with a guttural "You betcha!"

"I was sitting in a bar when the commotion started," he explained, "and when I looked over to where it was all going off I thought 'sod that for a lark' – it was mayhem! So I quickly changed the lens on me camera, pointed it out the window and got the shots that way. All those silly cunts climbing over each other to get a decent picture, and I didn't even have to leave my lager for a minute!"

RUCK!
The fights we'd love to see
ROLF HARRIS v TONY HART

This month our regular brawl happens in the car park of 'The Watch And Fish', Salvador Dali's theme pub in Swindon. These two have been involved in a blood feud that makes the meeting of the Earps and the Clantons look more like a bunfight than a gunfight. Throughout the seventies and eighties, they waged a no-holds-barred war for the pocket-money of schoolkids throughout the country, urging them to adopt their techniques of charcoal drawing and "dabbing a bit of paint on". Neither of them hesitated to use the most sophisticated methods of brainwashing and manipulation in such dubious programmes as *Vision On* and *Rolf On Saturday*. Today, only one of them will leave this place alive.

Oi, Hirst! I'm gonna fill *you* with formaldehyde and cut you in half!

Smoking a black Russian cigarette in front of his Bentley is Tony Hart. On the surface he might seem to be just a rather effete failed cartoonist living at BBC Bristol, but that's just a front. Think of his silk cravat. Think of his aristocratic, almost teutonic voice and his love of fluffy cats. Note the fact that he always has a couple of beautiful young women lounging around his opulent studio. You've got it – Tony Hart is Blofeld! With a worldwide criminal network and various laser weapons in orbit around the earth, surely the bearded Aussie won't stand a wallaby's chance in hell?

Can You See What It Is Yet?

But not so fast. Rolf 'Crocodile' Harris jealously guards his status as the hard man of art. He decked Damien Hirst at the Turner Prize ceremony for being nasty to animals and stood there, beating his chest in an Aboriginal challenge to all-comers. His skin is tough and weathered by numerous gruelling 'walkabouts' in the outback, and he can survive for weeks on nothing but witchity grubs and Foster's lager.

With an airy wave of his hand, Hart signals to his lieutenant, the hideously deformed plasticine sadist, Morph, who in turn squeaks into a walkie-talkie. A Ford Transit with smoked glass windows screeches to a halt and a miniature army of putty assassins swarms out, armed with Man From UNCLE-style machine guns.

"Farewell, Herr Harris," whispers Hart, "perhaps, if things had been different, we could have been friends. But you must die

The malleable murderers surround the bearded antipodean, who seems to have put himself into some sort of trance state. A faint mumbling of ancient wisdom can just be heard coming from him as the guns are cocked and aimed…

Hart's minions open fire, but when they see the bullets bounce harmlessly off, they turn tail and run away, in the style of cheaply-animated puppets.

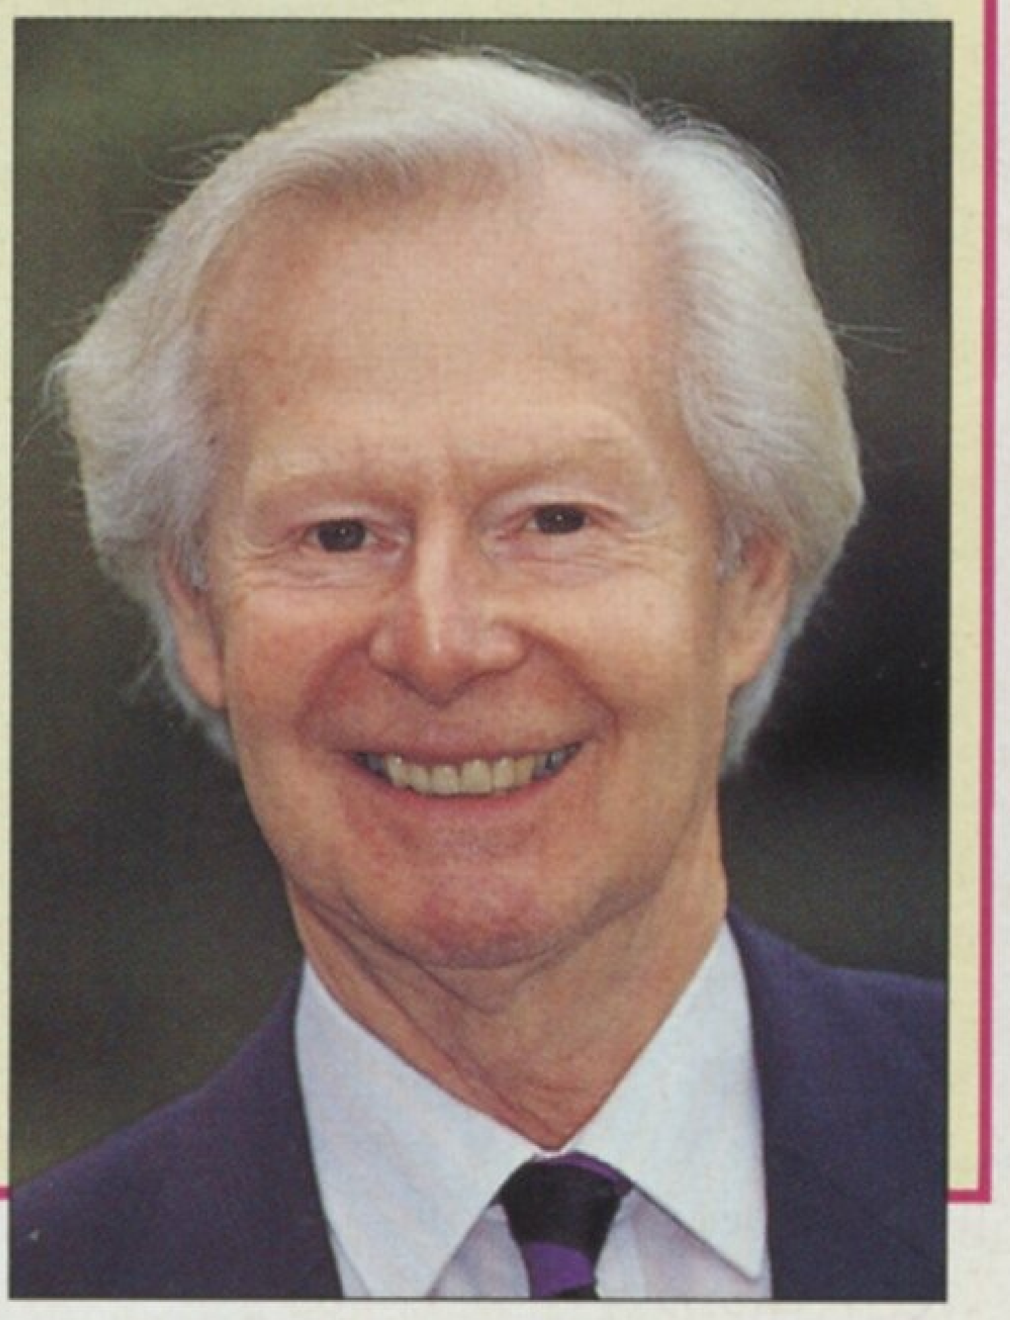
X-Ray Vision-On!

"You bearded buffoon, did you really think you could get the better of me?" screams Tony, pressing a button on the control device in his hand. An intense beam of laser light shoots down from the heavens, but is reflected back by the armour at precisely the same angle. Twenty miles up, Hart's orbiting skybase explodes.

The metal monster clanks across the tarmac and stands motionless in front of the fallen master-criminal. "I'll make you rich, just name your price," begs Tony. "Here, I'll give you all my Colombian drug operations…" Before he can utter another word, he is interrupted by a miraculous sight. A flap opens in Rolf's helmet and a cannon-like tube emerges and points at Hart, who cowers behind his shiny black limousine. But this is no firearm, this is the 'Death Didgeridoo': all who hear it will die!

As the mournful note wails throughout Swindon, from the attractive roundabouts to the charming concrete shopping mall, time freezes and the brute that used to be Rolf Harris reaches into his armour and pulls out the ultimate weapon – the 'Blood Boomerang'. Fulfilling an arcane prophecy, the shimmering figure of the 'Rolf-A-Roo' swoops down from the sky and carries off the screaming Morph. With one swift movement, the bent stick is thrown into the night, performs a deadly arc and cleanly severs Tony Hart's head, returning to its master's iron grip at the speed of light.

But in getting rid of Interpol's most wanted villain, will the world now have to contend with something far worse – the Stylophone-toting, board-wobbling invincible death machine that was once called Rolf Harris?



Stare into the merciless eyes of Tony Hart and see death writ large!

SCENE from MAYFAIR

TEN YEARS AGO THIS MONTH

MAYFAIR VOLUME 21 NUMBER 8

Phew, what a scorcher! The Opel GT really is some car, isn't it? Apart from naff boy-racermobiles, the issue was strong in the trouser-tent department, showcasing a broad range of lithesome young lovelies. Take the eminently shaggable Shirley for example, who was no spring-chicken at the ripe old age of 26, but certainly looked stunning with her heavy kohl eye-liner and fantastic knockers. Then there was Andrea Louise, a well-endowed Manchurian maiden with a burning desire to break into acting (her ambition was to appear in *Dynasty*!). In fact, we rate Andrea higher than cover-girl Gail Thackeray – the ex-Page Three beauty who adopted a Les Dennis-style perm and disappeared into obscurity. The seemingly mandatory WWII submarine feature was once again illustrated with an awful oil painting, and the article concerning playing cards through the ages was as well researched as it was pointless. Hey ho, at least here in the naughty nineties we use wanky watercolours to accompany our features – see the feature on cigarette tricks in this issue for proof!

TWENTY YEARS AGO THIS MONTH

MAYFAIR VOLUME 11 NUMBER 8

The front cover of twenty years ago featured 19-year-old Patricia Simpson – slapping on a coat of creosote, by the look of it – who revealed that her big ambition in life was "to become a stand-up comedienne". Having never heard of her, we can only assume she stuck to the day job (unless, of course, you know different?). Other attractive additions to the issue included Maureen and Brenda, who starred in a less than erotic girl-on-girl four-pager – maybe it would have been hornier if they didn't sound like school dinner ladies. But winning the all-important award for 'funkiest footwear' of the book, was Norway's Eva Ericsson. Check out those platforms! Lots of fruity (but frankly poor) fiction was balanced with features looking at German tanks and old, steam-driven fire engines – phwoar! At least the curvaceous Carrie was on top form as usual, giving a cheeky chappie sporting Speedo swimwear the dunking he deserved. Ahh, that's our girl!

Mayfair's single-handed campaign to promote steam-powered contraptions of any and every sort gathered pace with the brilliant idea of a steam-powered fire engine (right). SEX & HEALTH

Our featured feminine flick-through is *Cosmopolitan*, though this month's expedition to the palatial Raymond khazi (for research purposes) was a tad disappointing. We encountered the most devastating beaver shortage since that oil tanker ran aground in Alaska, and the tittage totaliser remained worryingly low.

With summer at its peak, the high points of the mag are the endless tanning products being advertised (check out the nude beach shot on page 63), with more accompanying freebies than a pre-election budget. The sachets of self-tanning lotion disappeared within minutes of entering the building, days before our publisher, sporting a rather orange skin tone, regaled us with tales of his snap weekend break in Hawaii. Coincidence?

Liz Hurley makes a welcome (though fully-clothed) appearance on pages 6-7 in an Estee Lauder ad, but things get much fruitier a few pages later in a great article about "Why straight women are paying for gay sex." Because they like it, apparently.

Things get pretty surreal after that. Page 71 presents us with gut-churning images of the fabulous female form by women artists, before we arrive at page 188 and a snippet about "Curves, gel-filled polyurethane pads from the US that give you an instant Pamela Anderson silhouette." The picture of the model illustrating the piece reminds us of those 1950s airbrushed nudes which, like the 50's bikini fashion spread starting on page 160, leaves everything to the imagination. However, pic of the ish has got to be the soft-focus nude angel on page 178 – now we believe there is a heaven.

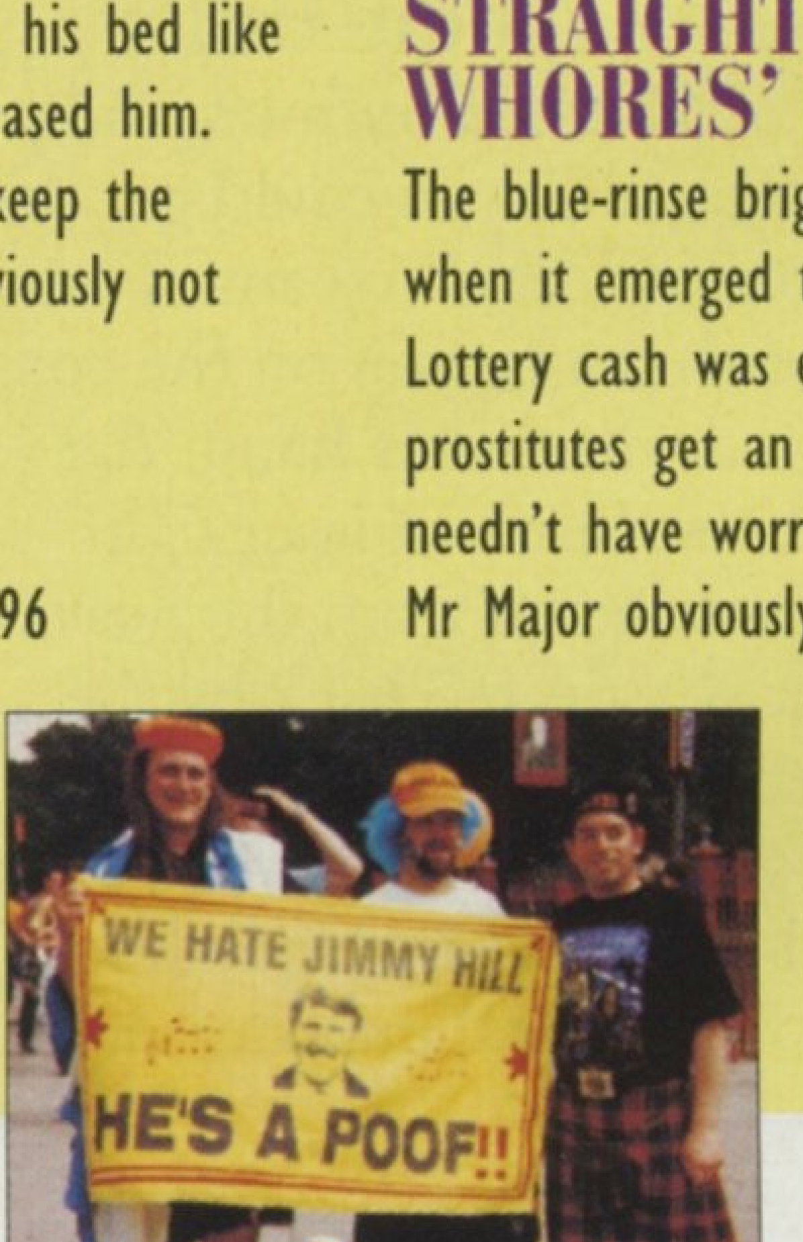
DE-BRIEFING

MAD AXEMAN

Good to see that Guns 'n' Roses guitarist Slash hasn't been idling his time away while Axl 'Constipation Voice' Rose polishes his Harley. Nope, the tousled rocker has been investigating the attractions of kinky sex by getting himself handcuffed to the bed of a New York hotel recently. Only trouble is the game girl then promptly fucked off, leaving the string-picker to shout from his bed like a baby until hotel security released him. Whatever he offered them to keep the whole thing hush-hush was obviously not enough – cheapskate!

SEE YOU, JIMMY!

Top banner seen at the Euro '96 Championships from the plucky Scots: "We Hate Jimmy Hill, He's A Poof!!" Possibly sexually inaccurate, definitely a good giggle.



ADULT RATINGS

Zoe 'Chipmunk' Ball is digging for Big Breakfast victory in a game effort to revive the collapsing ratings. First she comes over all new-lassy on Fantasy Football League, then she's putting on a rubber dress and saying she wants to be a Bond Girl. We're currently bombarding the TV watchdogs with complaints about the BB – if things really go pear-shaped, who knows what she might do!

STRAIGHT FROM THE WHORES' MOUTH

The blue-rinse brigade got all steamed up when it emerged that some National Lottery cash was earmarked for helping prostitutes get an education recently. They needn't have worried; after all, that nice Mr Major obviously enjoys forbidden pleasures if a newstand poster seen in London is to be believed: "Cash Handouts: Major Slams Prostitutes".

ANGEL

PHOTOGRAPHED BY CHANTEL THOMA

Have you been surprised by the reaction to your appearance last month?
Completely! I can't believe how much mail has come in. Does it usually happen with all your girls?

Not usually quite as much…
Then that's very nice of everyone. I really enjoyed both photo-shoots, and I've even had a couple of readers congratulating me in the street, which is the first time that's happened.

How do you feel during the shoots?
It can be hard work, but luckily Chantel [the photographer] makes things as easy as possible, and before long I really get into it. It actually is true that you get very turned on when things are going well. You sort of know how sexy the pictures are going to be as they're being snapped. Do you like my new hair-do, by the way? I've had extensions…

Er, yeah. Lovely. It looks really natural, too. But tell us, have your workmates seen you modelling?
None of them have said anything but I have noticed a few horny looks from the guys…

So you think they've seen your pictures in *Mayfair*?

Oh, I'm sure of it. It could end up being very useful – there's one officer I really fancy, and I think I might leave a copy lying in his locker with a note saying "You've read the catalogue, how about trying out the goods?"

What if he says 'yes'?

Then I'd take great pleasure turning him into a member of my personal Mile High Club.

How many members are there?

Quite a few. Once on a flight to Mexico, I felt incredibly horny and wanted as much sex as possible. I suppose you could say I was on a recruitment drive! I ended up over the Atlantic in the gents' loo with a big American cock in each hand and a British one up my pussy. I don't suppose anyone can beat that, can they?

Q *Have you swapped partners?*

A My partner has shared me with another man and two women (both 100% gay) and I've shared him with another woman. All of them were friends (and remain so) and it started off with a lot of "What if…" sort of talk and a few drinks. I had fantasised for years about another woman sharing my bed and about having two men at once or a husband and wife. The fantasy fed my curiosity which fed the fantasy and so on. You only live once, so it was only a matter of time and finding the right partners until I lived out the fantasy. I only wish I'd tried it years ago!

Q *Was it as you'd imagined?*

A It was exciting, and a little bit embarrassing to begin with – I wondered if I'd be able to satisfy them and find out what turned them on. It's fun finding out, like being on a first date again, exploring a new body and being explored by someone who doesn't know your 'hot spots'. It's interesting to compare the fantasy and reality. In my fantasy, the sex is always mind-blowing, the partners perfect in body and sexual skill. In reality, the sex is invariably good even when the partners are less than perfect.

> “I LAY BACK, SPREAD MY LEGS AND FELT THE BUBBLES FIZZING AROUND MY PUSSY”

Q *What reactions have you got from the people involved?*

A My partner really gets off on the idea. A couple of guys he's introduced me to had never 'swung' before and were a bit unsure to begin with – one of them refused to believe contact magazines existed, and now he's trying to convince his wife to have a go!

Most people are very laid back about it – it's just adults having a bit of fun with no strings attached. My circle of friends widens and no-one is pushed farther than they want to go.

Q *What effect has it had on your relationships?*

A It has definitely strengthened them. Our sex life has never been better, because there's no area we can't discuss openly.

Q *What do your friends think?*

A My best friend was a little shocked at first, but she knows me too well to stay that way. In fact, I think she's sometimes a little envious that I get so much terrific sex on a regular basis. A male friend I talked to turned out to be a swinger himself, which surprised me! It proves there are no rules about what swingers are like – they're just normal people.

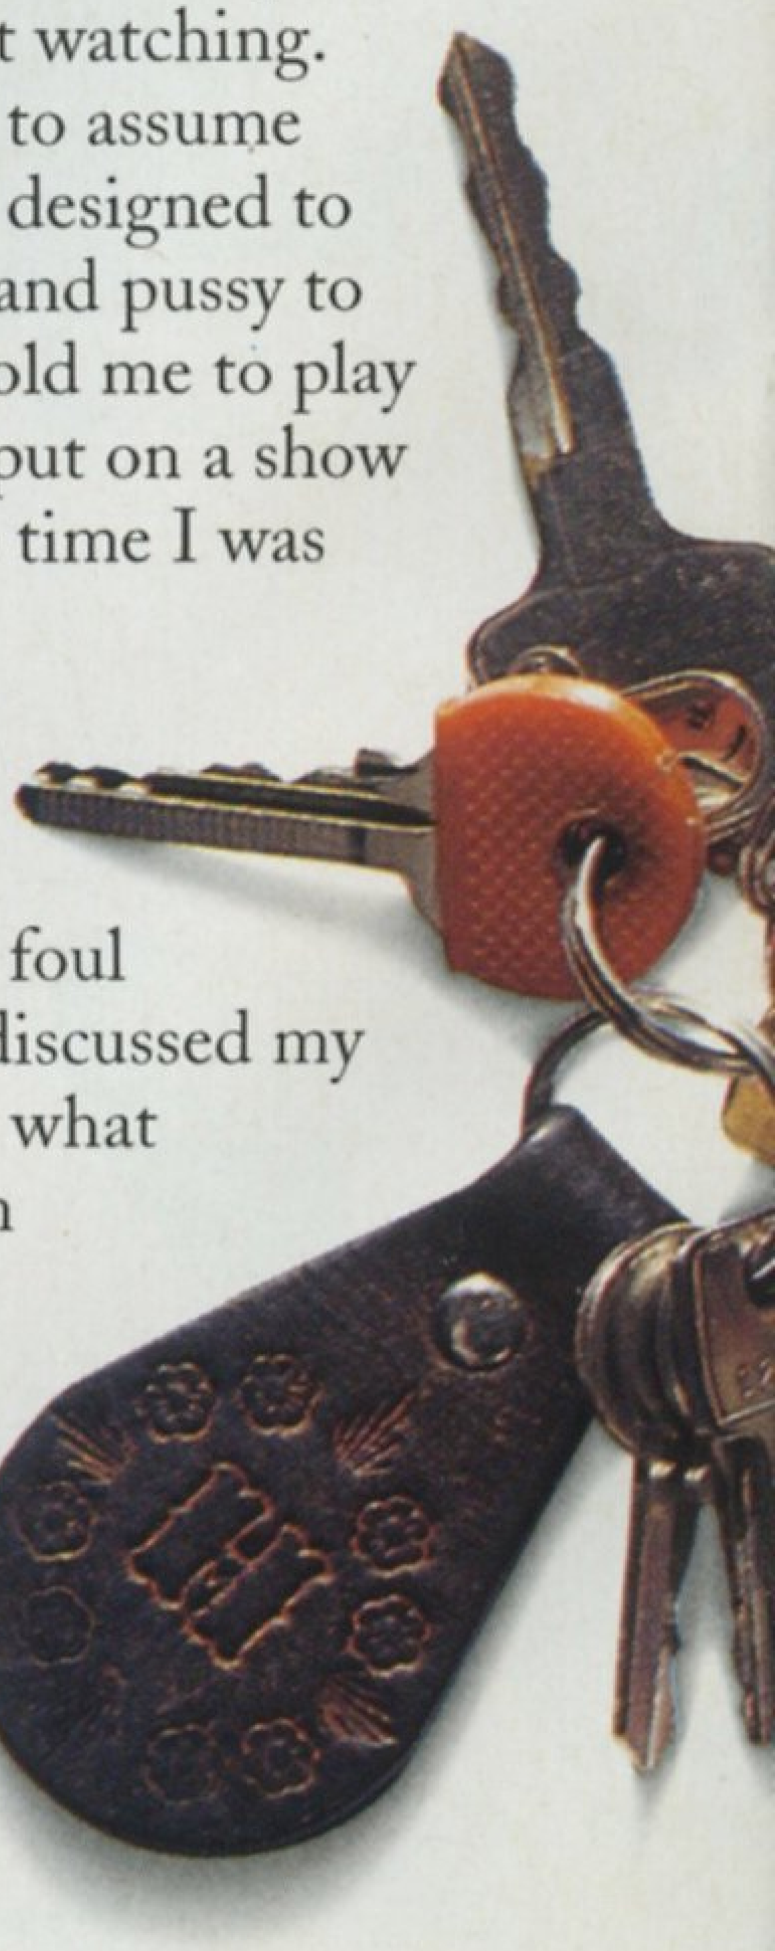
Q *What advice would you give people thinking of trying it out for themselves?*

A Hammer out a list of wants, needs and limits first and agree to respect each others' limits. Set rules and stick to them. I usually make contact through contact magazines (not always successful) or more often through conversations with existing friends and chance acquaintances.

Q *Do you combine swapping with any other sexual practices?*

A Occasionally. Myself and my partner are into mild bondage and domination. One of my main fantasies is to be gang-banged by force (in fantasy only and with strictly no pain!). Sometimes I let my partner be dominant when we have company. We set limits first, and talking about what you're going to do gets me as horny as fuck! I am then his slave and will do anything he orders.

One guy was great. As my partner ordered me to strip for them, they sat watching. He then told me to assume various positions designed to show off my tits and pussy to their best, then told me to play with myself and put on a show for them. All the time I was doing this, he was calling me names of a really filthy nature and using foul language. The two of them discussed my body out loud, talking about what they were going to do to it in graphic detail. I was then ordered to strip our friend, caress him and lick him. When he was naked, my partner ordered me to suck him,



> “ WHEN HE WAS **NAKED**, MY PARTNER **ORDERED ME** TO **SUCK HIM**, THEN **RIDE** HIM UNTIL **HE CAME** ”

then ride him until he came. The guy's face was a real picture as I did what I was told. I took him in three or four different ways until he was sucked and fucked stupid! My partner watched it all, then proceeded to give me one of the best fuckings of my life!

Q *What's the most erotic swinging experience you've had so far?*

A It has to be the first time I had a woman. She was a gay friend of my partner who came to visit one evening. One drink led to another and another. The conversation became more sexual in nature and touches became more frequent and lingered longer. The subject came round to two-girl sex. I admitted I was curious and turned on by the idea but I'd never tried it. The tension in the room was incredible. She looked straight into my eyes and asked if I'd like to. I could only nod, as I didn't trust myself to speak. My partner watched the whole thing and didn't say a word, but I could see he was getting hard.

She crossed the room to me and, taking my hand, guided me until we were sitting on our knees facing each other on the floor, and she started to gently caress my hair and face. I just didn't know what to do. Sensing no resistance, she leaned forward and brushed my lips with hers, then again but firmer. I closed my eyes to fully appreciate the feelings as she kissed me again. I was so aroused that when she reached over and touched my breasts, I nearly collapsed! Our lips got wider with each kiss until we were in a full-blown snog. She felt so soft.

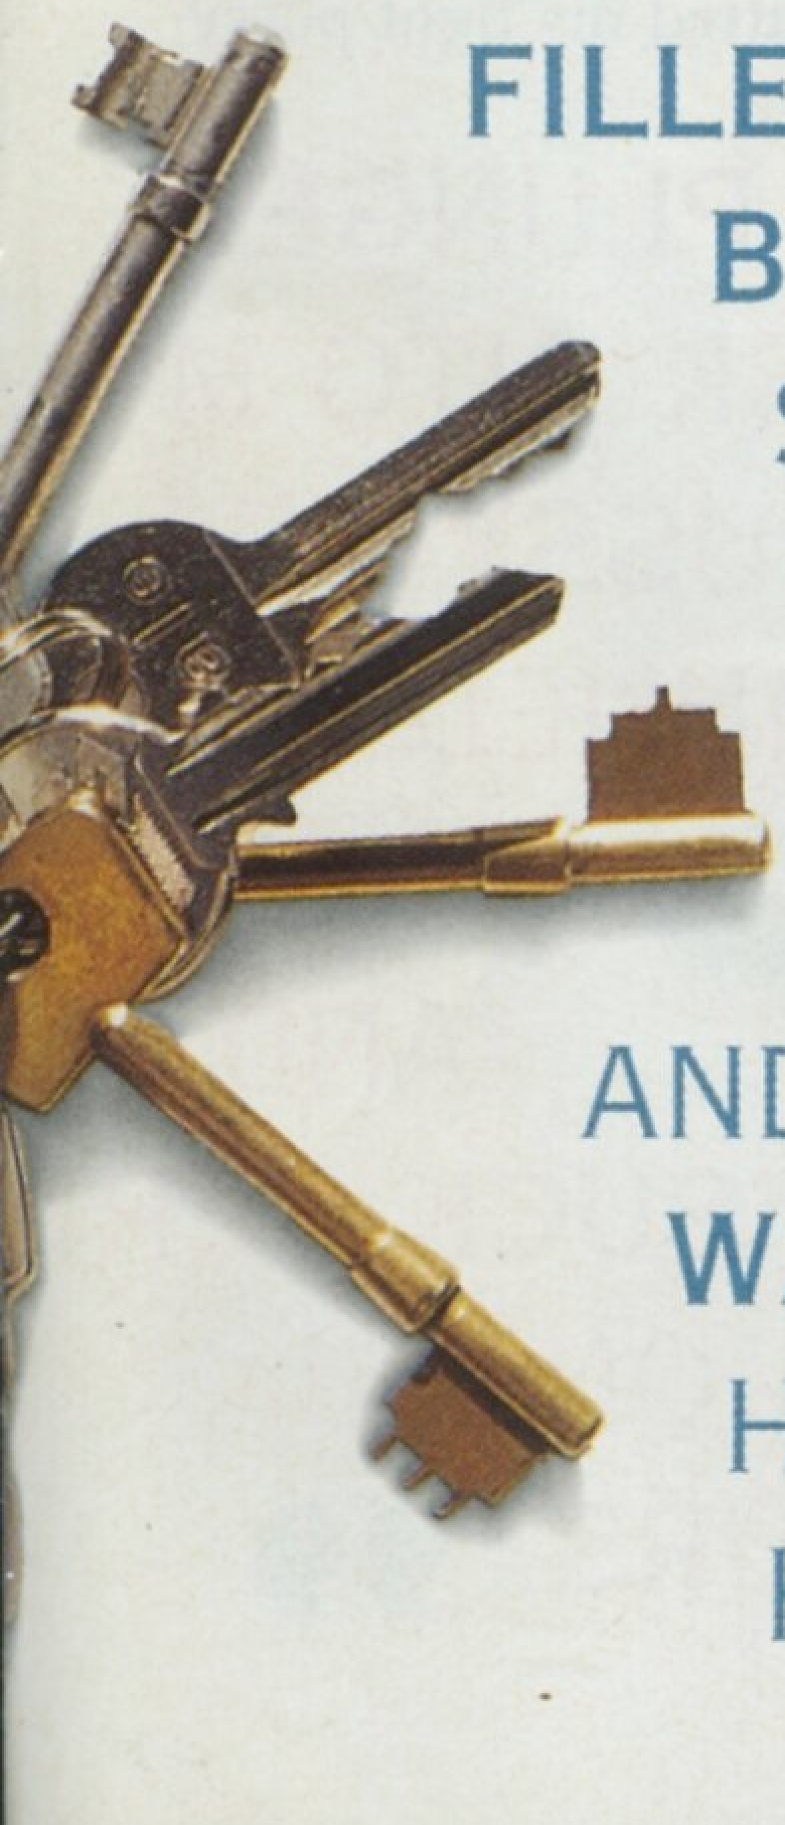
I responded to her kisses and she leaned back and removed her top. I've got quite a small bust, but she must have been 38DD! My eyes took in every curve and I was no longer self-conscious when she removed my top and caressed my breasts. I reached out to touch hers – my first touch of another woman's tits. I began to feel more confident and stroked her entire body – I was so hot! Within seconds, with not a word spoken, we were both naked and I couldn't wait to explore her gorgeous cunt.

From being the submissive one, I became dominant, lying her on her back, licking and stroking her all over.

She felt, smelled and tasted totally different to anything I'd ever tasted before. I wanted her writhing beneath me, I wanted to actually fuck her and understood what a man must feel when he wants a woman. I went down on her and wanted to lick her out all night, she tasted so good. My pussy was aching for attention, but I couldn't stop eating her!

That's when my partner came into it. I looked over and asked him to please fuck me. He plunged his cock into my wet pussy as I continued to lick and suck her on all fours. I even got three fingers into her. It felt very strange to feel her clamped around me as she came again and again. While she recovered from each orgasm, I moved to her tits, belly and neck before returning to her musky pussy. Just thinking of her taste is enough to get me wet. And all the time, my partner was pumping me with his throbbing cock until I had to muffle my orgasm by sucking extra hard at her cunt, which brought her off at exactly the same time.

> “ ONE OF THEM **FILLED** HER FROM **BEHIND** WHILE SHE **SUCKED** ANOTHER ONE OF THEM **OFF** AND THE **THIRD WANKED** WHILE HE **SQUEEZED** HER **TITS** ”



Q *Anything else to add?*

A Before I tried swinging, sex was straightforward – verging on being dull. But now, I can come in almost any position, I've tried bondage, role play, domination, girls and boys, and my fantasies know no bounds. Sex should be about fun and adventure, and now I firmly believe you shouldn't knock anything until you've tried it!

Q *How many times have you shared or swapped partners?*

A Just the once, properly. It was all very dirty but very exciting. My best friend Christine and I were going out with brothers, Marco and Gianni (me with Gianni, her with Marco). They lived together and the four of us would often go out on double dates. We were always very horny and talked openly about very explicit sexual things. After a few drinks, we were all gagging for it and would go back to their flat, one couple in one room and the other next door. One night though, we couldn't wait to get into separate rooms and it all took off from there – we swapped partners.

Q *What's it like to be with another partner?*

A It's fun. The fact that it happened without planning made it really dirty. I felt a bit guilty at first, but then remembered my man was fucking my friend at the same time! It was better than I could have imagined – Marco was as good a lay as his brother, but in a different way. He was a real animal, whereas Gianni was more of a gentleman, but that suited me because we weren't getting into loving sex, we were having a quick, fun fuck.

Q *What was your partner's reaction?*

A I was surprised how much he enjoyed it all. He said it turned him on to imagine his brother screwing me and even more imagining him eating my pussy, something he really enjoyed himself.

The next day though, Gianni and I had the best sex session ever – he just couldn't stop sticking his dick into me, as if he was proving his own sexual prowess to me!

NOT FOR CLIMBING

> “I COULD **TELL** HE WAS **APPRECIATING** MY **PHYSIQUE** AND **POINTED** TO MY **PUSSY** AS A **SIGNAL** FOR **HIM** TO **FILL** IT WITH HIS **IRON**-HARD **COCK**”

Q What effect has it had on your relationships?

A In general, it has made us a lot less inhibited about sex – now I'm more willing to try anything and get kinky. I regularly snog girls at clubs and parties, just to get a reaction from the people there. Guys love to see two girls getting off with each other. Christine and I even ended up sleeping together a few times, and of course, we've now got lots of notes to compare!

Q Have you discussed it with anyone else?

A It's a hard subject to bring up because so many people look down on girls who think life's too short. I've lost count of the number of people I've fucked, I just want to have fun! Swinging is perfect because you don't have to spend any time getting to know a new partner, but you're both out for the same thing – limitless screwing, no strings attached.

Q What advice would you give people on how to go about it?

A They should only try if they're very curious and not the jealous type, because it could get tricky doing it with people who are already good friends. Decide if you want to stay in the same room or move to separate ones. I prefer it if we're all together – nothing makes me wetter than seeing my man with his cock up another girl's tight fanny. And try something you've never done before.

Q Can you combine it with other things?

A It's like being given permission to take sex to the extreme. When I did it, Gianni was more submissive with Christine – he wanted to be ravished whereas usually he's quite dominant. Afterwards, Christine told me Marco had acted differently as well – he was much more dominant with me. He ordered me to lean back against the wall like some sort of hussy and told me to wank myself until my knees buckled and I slid to the floor. Then he jumped on me and gave me a furious fuck with no foreplay. I was having a delicious fantasy about being a hooker.

Q Was that the most erotic experience you've had?

A Definitely. Christine and I have always kissed each other and knew perfectly well the effect it would have on the boys when they saw us. Normally we did it in a sort of half-joking way, but this time we were both really into it, getting a buzz from pressing each others' tits together. The boys came over and started touching us, first with their usual partners, then they switched as we got more and more horny.

I popped my erect nipple out of my top and guided Marco's hand onto it. Suddenly we were kissing and Gianni was on the floor with Christine. She was gagging for it and whipped his jeans off in seconds. His cock sprang out erect and she started to moan while she sucked it hard. I give good head as well, and made sure Gianni was watching as I went down on his brother, who tasted just as good as him. He stripped me while I kept sucking and squeezed my tits as they hung down below me. His cock was huge, with really big balls, which always turns me on. Just before he came, he pulled my face off his dick and that's when he got very dominant and ordered me to finger-fuck myself right there.

I definitely want to do it again, but maybe this time with complete strangers who are into the whole swinging scene and can teach me how it should really be done. I'm thinking about going to a swinging party.

Q Have you swapped partners or ‘swung’?

A My best friend at university and I swapped boyfriends one evening after a few too many drinks and an intimate conversation about sex which got us all a bit randy. On a separate occasion I found myself in a threesome with a boyfriend and my gym instructor. I was going through a massive fitness craze and wanted to show my body off with its newly-toned muscles. That started an amazing experience…

Q What's it like to be with another partner?

A It's much more exciting, because you feel like you're breaking the rules. It's a new body to explore with different reactions and fucking styles. I actually surprised myself and let go totally, becoming a wild, insatiable sex seductress.

Q What were the reactions of the people involved?

A When I swapped partners with my university mate, my partner was really shocked that I didn't refuse flatly – but it was a pleasant surprise, because he couldn't wait to shag my buxom mate. I fancied her boyfriend and could just imagine him with his kit off – all muscles with a big, hairy cock. It's great measuring up your idea of what someone's like in bed with the reality. His cock wasn't as big as I'd hoped, but he knew what to do with it and it fitted my tight pussy

> “HE **PLUNGED** HIS **COCK** INTO MY **WET PUSSY** AS I CONTINUED TO **LICK** AND **SUCK** HER ON ALL **FOURS**”

nicely. He had nice balls that slapped my arse while he drove into me. My boyfriend said fucking my friend was totally different as well, and it really turned him on…

Q *What effect has it had on your relationships?*
A My boyfriend and I didn't discuss it for a couple of days – I think we were both worried in case the other people had been better in the sack than each other, but once we'd got it out in the open we reassured each other that wasn't the case. Then our own sex life got a lot more exciting because we were more confident of our abilities.

Q *Have you discussed it with your other friends?*
A One of my other friends told me she'd had a foursome – with three other blokes, including her boyfriend. She said it wasn't the sort of thing to do every day, but was amazing in small doses. One of them filled her from behind while she sucked another one of them off and the third wanked while he squeezed her tits. It sounded deliciously dirty – I quite envied her!

The key to successful swinging lies in owning the right kind of motor…

Q *Would you recommend it to other people?*
A Yes, but only to more broad-minded people who are looking for harmless fun. It's best to loosen up with a couple of drinks and talk about sex for a while to get you really in the mood and build up some fantasies to act out. I've never made contact with dedicated swingers, it's just come about through spontaneity with friends.

Q *Do you use swinging with anything else?*
A Like I said, it's a good excuse to indulge your fantasies in a harmless way. I've sometimes tied guys down with stockings and teased them by running my long, sharp nails over their skin. You should see how quickly their cocks go stiff when I do that! I get them to beg me to be let go, and when I do they always satisfy me. The thrill means you can go on like that for hours.

Q *What was your most erotic swinging experience?*
A That was the time I shared my partner with my gym instructor – or should I say they shared me? We all worked out first and built up a good sweat. The endorphins were really kicking in and we were all on natural highs. I was feeling very confident – I have a great body, and I'd just got back from holiday so I was nice and tanned. We had the place to ourselves and kept admiring each other in the full-length mirrors. After the work-out, we climbed into the jacuzzi naked and began to caress each other, with the bubbles heightening every sensation. I lay back, spread my legs and felt the bubbles fizzing around my pussy, a delicious sensation, then felt the instructor's finger as he slid it effortlessly between my relaxed pussy lips and started to finger-fuck me. I closed my eyes and enjoyed it, then felt something warm nudging my mouth. When I opened my eyes, my partner was standing over me with his stiff dick in his hand and a totally rampant look in his eyes. He pushed it forward again and entered my mouth with it. I willingly sucked it, splashing water over it for added lubrication while the instructor let his hands roam all over my body. I could tell he was appreciating my firm physique and I pointed to my pussy as a signal for him to fill it with his iron-hard cock as soon as possible. He grabbed hold of my hips and pulled me towards him, right onto his cock. We started moving and the water was flying everywhere, but I still managed to keep wanking and sucking my boyfreind. He came first, shooting his load all over my face, then the instructor came in my cunt just a few seconds later. He shouted so loud I was sure someone would hear us. Even in the warm water I could feel loads of his hot spunk pumping into me. I wasn't satisfied yet and told them to swap positions so my boyfriend was fucking me and I was wanking the instructor. They couldn't get enough of my lithe body and practically fought for the right to squeeze and fondle my tits.

The instructor came loudly again, then said he had to leave to take an aerobics class, though how he had the energy left for that I don't know. My boyfriend and I fucked the morning away. Sex is completely different underwater, you feel weightless – you should try it!

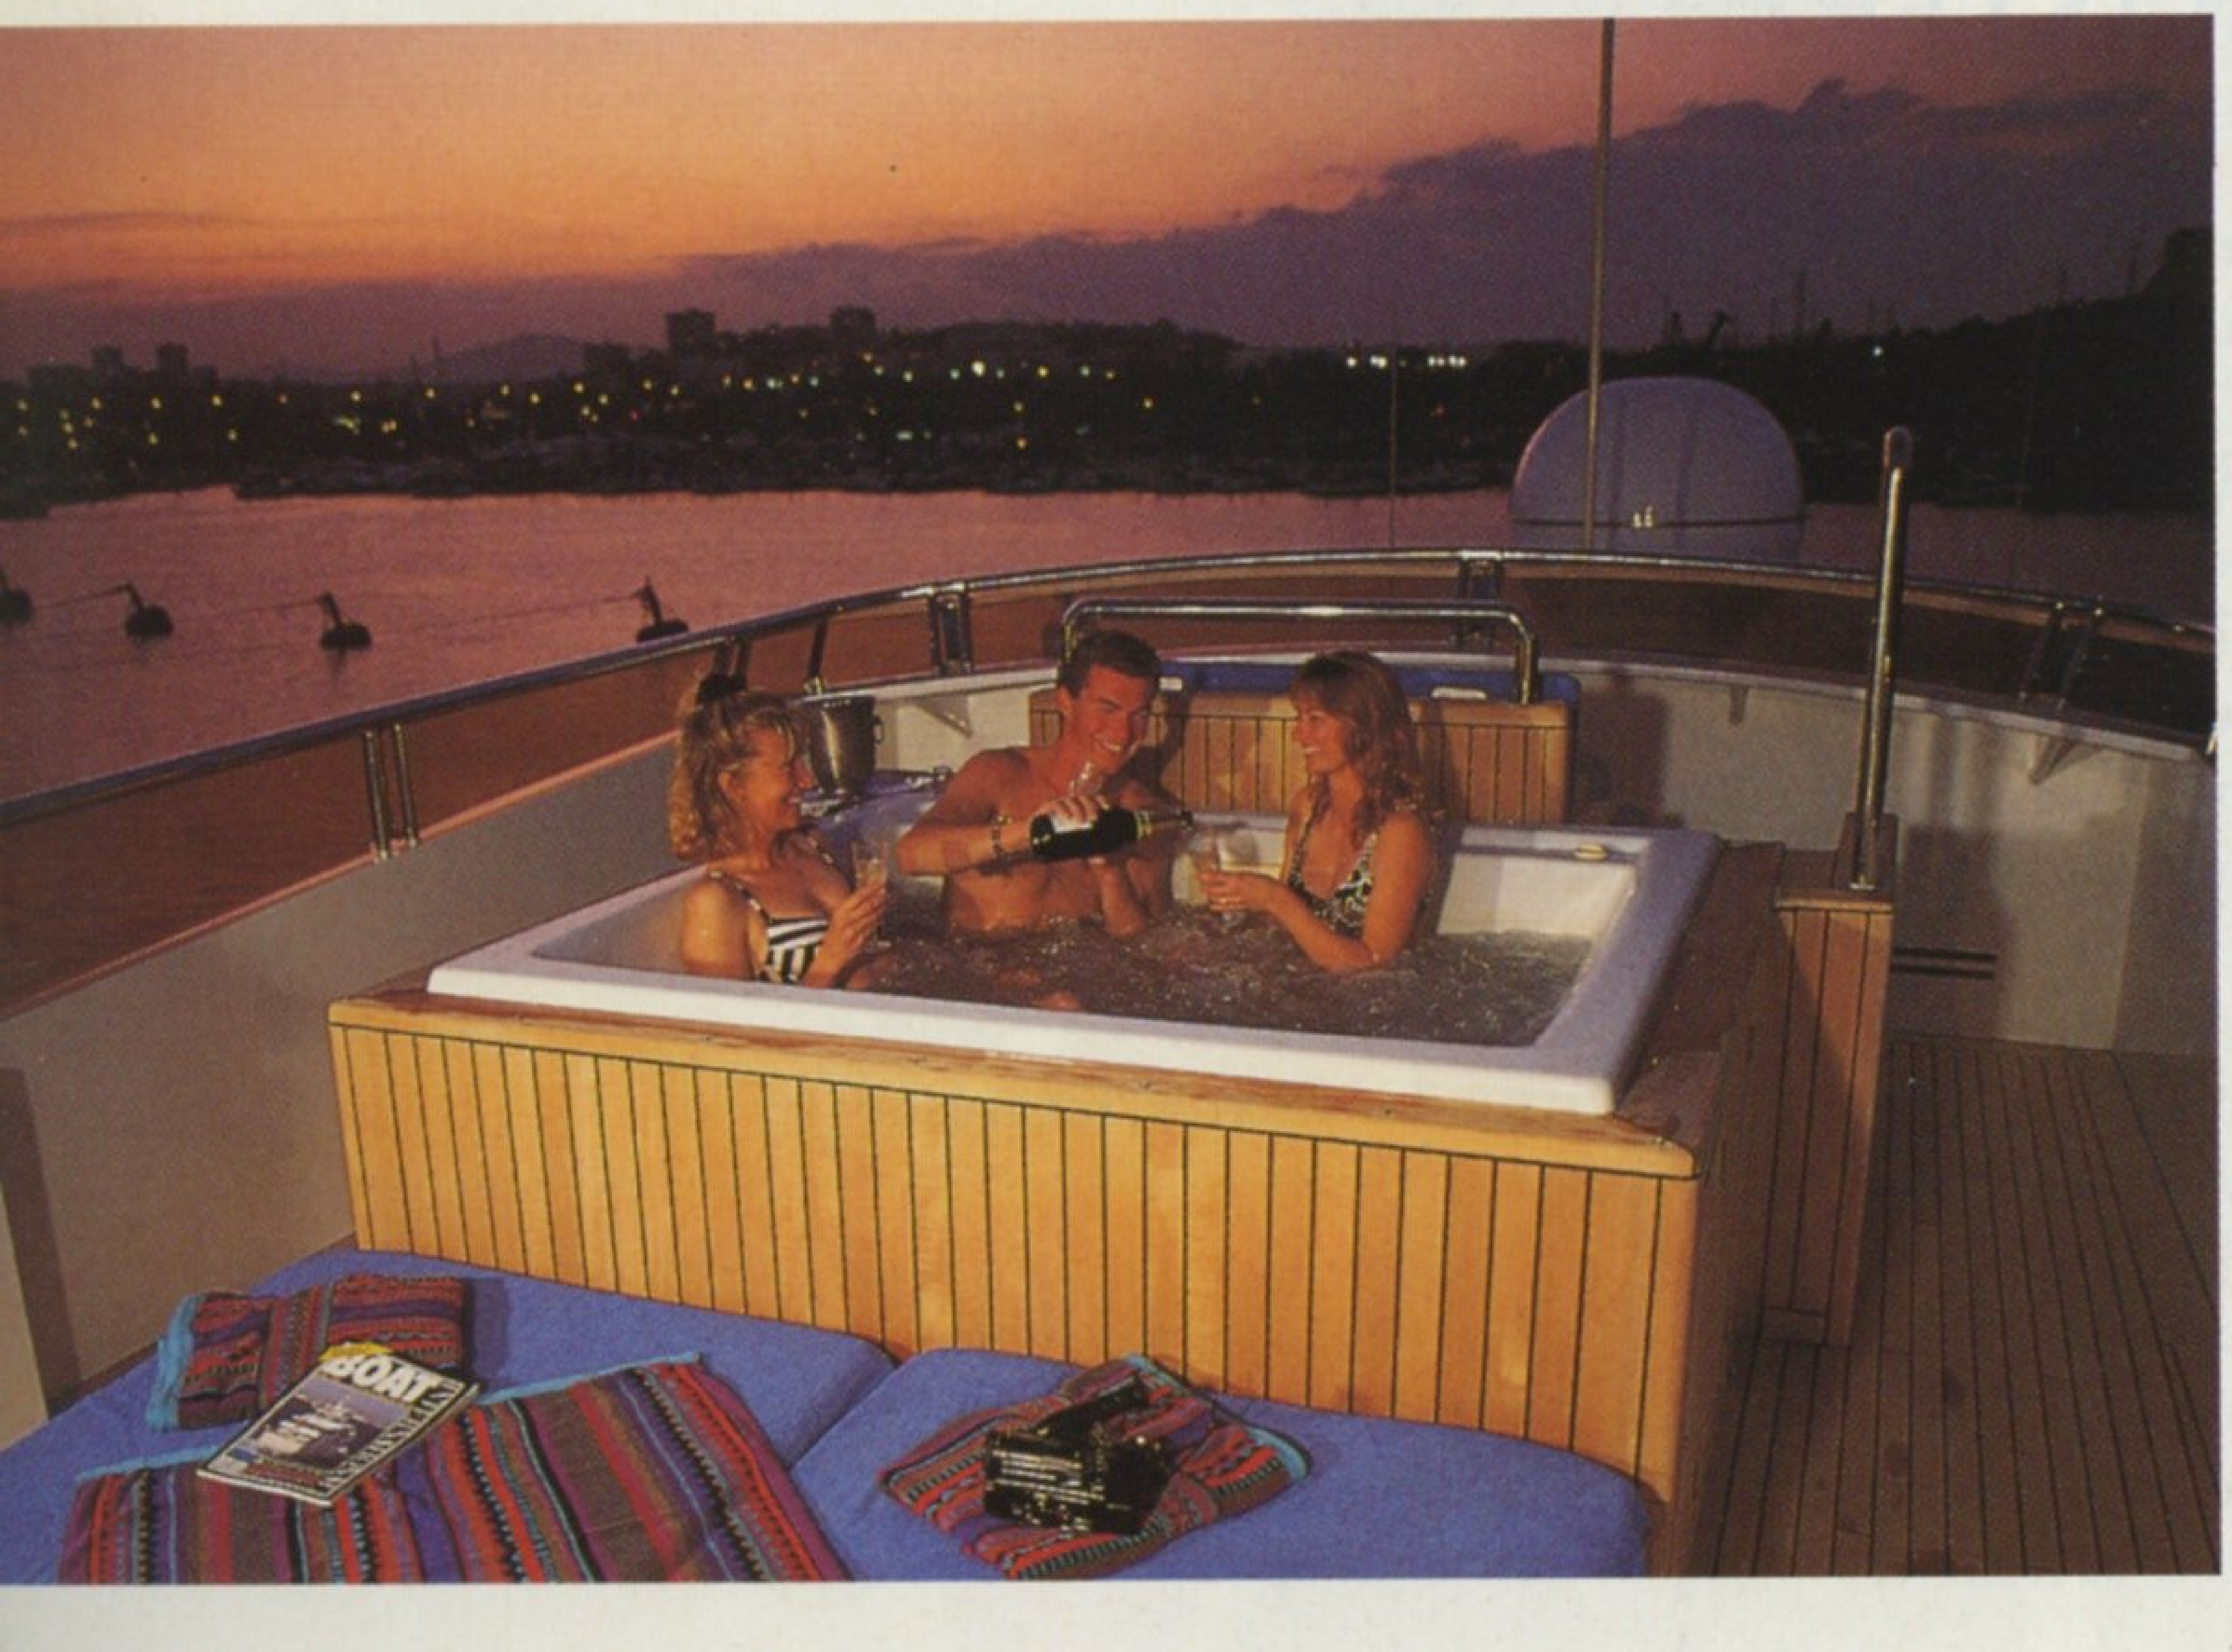
Hardwood deckrails stop fat newspaper owners falling overboard



But It Costs A Few Cap'n Bob!

To build or buy, she'll cost you millions. But if you just want to borrow her to impress attractive, blonde land-lubbers, contact charter agent Nigel Burgess of Pall Mall (0171-8394366). Don't expect much change from £50,000 per week, which works out at about £600 per person per day – not a cheap way of getting your Moby Dick action. That's off-peak, and don't forget the Eurotaxes on top if you're thinking of hoisting your Jolly Roger in the Med. Fuel's extra, and doesn't come cheap – she'll only do a quarter mile to the gallon, but if you're even thinking about that being a problem, you're probably better off with a li-lo.

HT:

The Yacht With The Lot!

The Germans may get to the beach first, but who cares when you can sit 200 yards offshore on this galleon? Out there in the big blue, there's nothing to beat a Megayacht. It's as private as your own island with the added benefits of 2,000 horsepower and 13,000 gallons of fuel so you can heave-ho if the natives get restless or, God forbid, the taxman catches up with you. Spacious saloons, wide decks on three levels, on-board generators and water purification systems, ten cabins and ten bathrooms mean you needn't pull into port for weeks on end. Unfortunately, cannons are not part of the package, so the only broadsides you can fire are smugness and sarcasm: "Ahoy there, Helmut – love the sunbed!"

Swish, home counties-style patio dining area

OLIVIA

PHOTOGRAPHED BY TERRY MUNNS

Do you wear such sexy underwear very often?

Well, it's not very practical, is it? It takes ages to put on, but I must admit, it feels very sensual to be dressed in satin and lace. And it turns guys on even more than me, which can't be bad. The only bad thing about fancy underwear is the length of time it takes to get undressed!

Do you have a man in your life at the moment?

No, I'm just too busy at work these days…

What, no-one at all?

I said there wasn't anyone in particular, I didn't say I wasn't having sex – that would be awful! I sometimes think I'm addicted to sex. There really is no better feeling in the world than a really good, long session in the sack with a big-dicked stud!

So how often do you indulge?
If I don't get fucked at least four times a week, I think I'd probably go mad!

Have you always had such an insatiable sexual appetite?
I was a late starter, you see – I didn't lose my virginity until I was 19, and I've been making up for lost time ever since. It always amazes me how much more you can learn about sex with each new partner. Even the ones who you wouldn't say were great in bed usually have a few odd little tricks to get you going. One day I'll find the fella who's got them all, and he can think again if he imagines he's going to escape!

Are you going away on holiday this year?
For the first time in years, yes! I've booked a little chalet near San Remo in Italy.

Have you been to Italy before?
No, but I used to go out with an Italian. He thought he was God's gift to women. [sighs] Now that I think of it, he was! Hopefully, a few of his countrymen will get the chance to prove he wasn't a one-off. I've got to keep up my four-times-a-week quota!

So he was the best you've had?
That's a tricky one. Like I said before, it's hard to pick out the best, because everyone's got their own little tricks. One guy I slept with was from Texas, and he could do things with his cock inside me that were unbelievable!

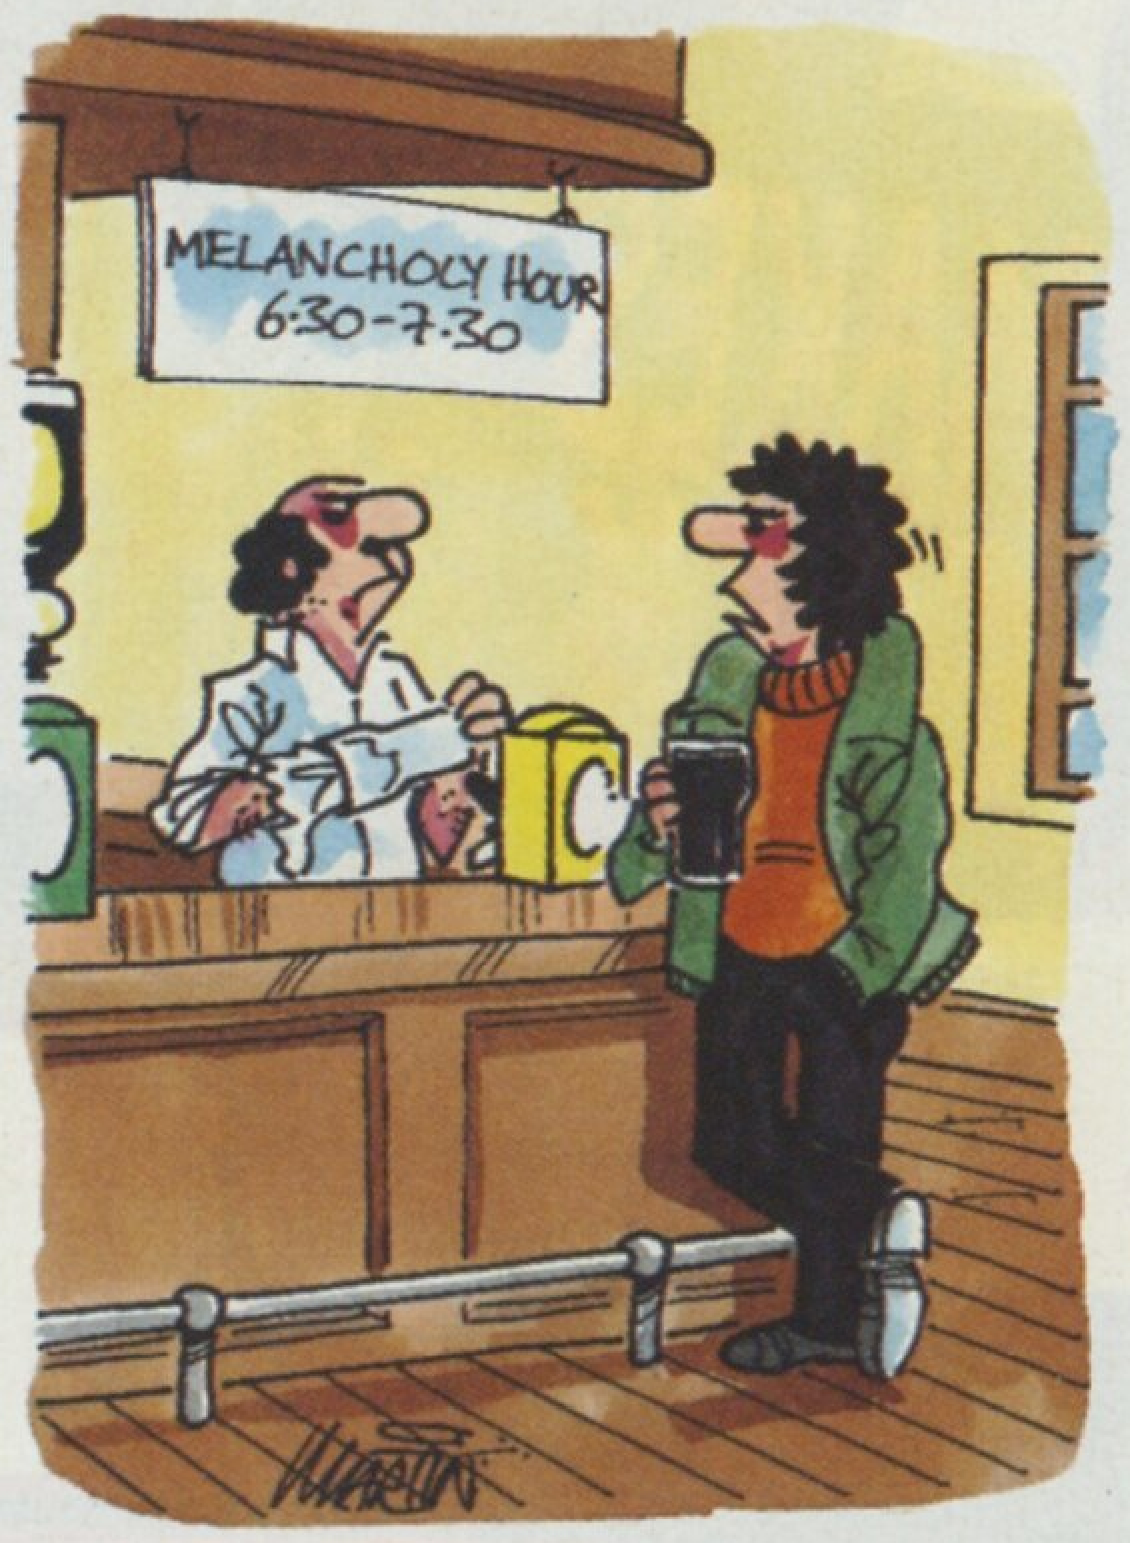
Such as?
I couldn't possibly tell you! Oh dear, I'm not blushing am I? I'm going to stop the interview here – I feel horny!

continued from p41

messy split, but she was a great fuck and we had good times. One thing I couldn't handle was her flirting. After a few drinks she turned into a terrible cock-teaser, even when I was in the same room.

A few weeks ago, I discovered she hadn't changed. I was in the pub with an old friend, Rod, and who should arrive but a very tipsy Julia. She flirted with us both quite outrageously, leaving us in doubt as to what she wanted.

Rod confessed that in the three years I had been seeing Julia, he had been desperate to fuck her. He had fallen victim to her cock-teasing many times and it was only his loyalty to me which stopped him ramming his dick into her. Well, now he had the chance. What made the inevitable night of shagging even better was the fact that Julia was about to marry the man she dumped me for!



"Did anyone ever tell you that you're a miserable bastard, George?"

We ended up in Rod's place and I headed straight up to the bedroom. I remembered that Julia liked to get in the mood by putting on a strip show and frigging herself in front of the bloke she is about to fuck – she hadn't changed.

Julia stripped down to her stockings and suspenders and perched on the edge of the bed as Rod and I looked on. She rubbed between her legs with her left hand and squeezed her pert tits with her right. This went on for a few minutes until she was ready and suddenly shouted: "Give me cock!"

I pushed her onto the bed and opened her legs. She'd always had an incredibly juicy cunt which she loved to have licked. As I began to lap her juices, Rod joined us on the bed. He rubbed his cock over Julia's tits, then offered it to her to suck and she gladly gobbled it. I couldn't see any of this, but I could guess from the familiar noises I could hear. I don't think Rod came before he took his cock out of Julia's mouth. If he did shoot off, she swallowed it all in one go without even flinching.

Next, Rod stood by the bed. I stopped licking her quim and pushed her ankles up around her ears. Her cunt was opened up and I eased my cock inside. I put my full weight into each thrust, my shaft slipping effortlessly in and out of her wet hole until she came.

She was always the horny type, up for a few positions, but that night she was on heat.

I withdrew my cock and straight away she sat astride Rod, pumping her hips so his tool filled her, until they both came again. As we knew this was a one-off, we all went a bit mad. It was true what you said in the article – you're more likely to try something out of the ordinary with an ex. Our situation was even more special because Julia looked on it as her last night of freedom.

We'd been going for an hour or so when Julia picked up her stockings from the floor and asked to be tied to the headboard doggy-style. Rod and I could then take as long as we wanted fingering and fucking her from behind. We tied her wrists to the bars on the headboard and Julia thrust her arse in the air. I had first go and rammed in with all the effort I could muster. Rod did the same a few minutes later after I'd shot my spunk all over her arse.

Julia's reaction was amazing. She kept demanding more, telling us to fuck her as hard and fast as we could. I fingered her bum and she loved it. We kept her tied up and fucked her for about an hour before we let her go. She left in the early hours of the morning, saying it was the best sex she'd ever had.

Following the success of that little reunion, I decided to try for another ex called Sammy. She had great tits, but all I got when I suggested one last fuck was a right hook to the chin! Sex with your ex can be amazing – you've just got to choose the right one!

Patrick Donnelly, Pontypool

Reply: *Which just goes to prove you shouldn't put all your ex's in one basket. [You're fired. Again! – Ed]*

You know you're reading MEN ONLY

when it gets up and hits you in the eye

Independent market research shows that the *Men Only* reader is not only more intelligent than the magazine's editor, he also has a much bigger wozname, and can keep his end up in an on-going two girl lickety-split with butt plug situation for several weeks at a time. This is why the most beautiful new models insist on showing their gorgeous tip-tilted thingummies, round bouncy whatsits and naughty pink girlie bits in *Men Only* first.
